ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, as a
below-named inventor I have sold and assigned, and hereby sell and assign, to:

FAURECIA INTERIEUR INDUSTRIE

23-27 Avenue des Champs Pierreux 92000 NANTERRE FRANCE

(hereinafter ASSIGNEE) all right, title, and interest in and to the above-identified invention and United
States patent application, including : (i) any and all divisions or continuations thereof, and in and to any and
all Letters Patent of the United States that may issue on any such application or for said invention,
including any and all reissues or extensions thereof, to be held and enjoyed by said ASSIGNEE, its
successors, or assigns to the full end of the term or terms for which any and all such Letters Patent may be
granted; (ii) all applications for patents, utility models, and designs which may hereafter be filed for said
invention in any country or countries foreign to the United States, together with the right to file such
applications and the right to claim for the same the priority rights derived from said United States
application under the Patent Laws of the United States, the International Convention for the Protection of
Industrial Property, or any other international agreement or the domestic laws of the country in which any
such application is filed, as may be applicable, to be held and enjoyed by said ASSIGNEE, its successors,
or assigns to the full end of the term or terms for which any and all such patents, utility models, designs or
other rights may be granted; and (iii) all forms of industrial property protection, including, without
limitation, patents, utility models, inventors' certificates and designs which may be granted for said
invention in any country or countries foreign to the United States and all extensions, renewals and reissues
thereof, to be held and enjoyed by said ASSIGNEE, its successors, or assigns to the full end of the term or
terms for which any and all such patents, utility models, designs or other rights may be granted.

I hereby authorize and request the Director of the U.S. Patent and Trademark Office to issue any and all
such Letters Patent to said ASSIGNEE, its successors, or assigns in accordance herewith.

I warrant and covenant that I have the right to sell and assign the interests herein sold and assigned and that
I have not executed and will not execute any document or instrument in conflict herewith.

I further covenant and agree that I will communicate to said ASSIGNEE, its successors, legal
representatives, or assigns all information known to me relating to said invention or patent application and
that I will execute and deliver any papers, make all rightful oaths, testify in any legal proceedings, and
perform all other lawful acts necessary or desirable by said ASSIGNEE, its successors, legal
representatives, or assigns to perfect title to said invention, to said application including divisions and
continuations thereof and to any and all Letters Patent that may be granted therefor or thereon, including
reissues or extensions, in said ASSIGNEE, its successors, or assigns, or to assist said ASSIGNEE, its
successors, legal representatives, or assigns in obtaining, reissuing, or enforcing Letters Patent of the
United States and any and all patents, utility models, designs or other rights that may be granted in the
United States or of any country or countries foreign to the United States, for said invention.
