(hereinafter referred to as Assignors), have invented a certain invention entitled:

A DYNAMIC SYSTEM AND METHOD FOR IDENTIFYING OPTIMAL SERVERS IN A VIRTUAL PRIVATE NETWORK

for which application for Letters Patent in the United States was executed on
even date herewith;

OR

for which we have filed an application for a Patent of the United States on
_____, Serial No. _____. If this document is signed without the application
number and filing date being entered above, I hereby authorize and request the
attorneys of record to insert the filing date and application number of said application,
when known; and

WHEREAS, 360 IT, UAB, a corporation of the State of Lithuania, having a
place of business at Saltoniškių g. 10C, LT-08105 Vilnius (hereinafter referred to as
Assignee), is desirous of acquiring the entire right, title and interest in and to said
application (hereinafter referred to as Application), and the invention disclosed therein
(hereinafter referred to as Invention), and in and to all embodiments of the Invention,
heretofore conceived, made or discovered by said Assignors, and in and to any and all
patents, inventor's certificates and other forms of protection (hereinafter referred to as
Patents) thereon granted in any and all countries and groups of countries.

NOW, THEREFORE, in consideration of good and valuable consideration
acknowledged by said Assignors to have been received in full from said Assignee:

1. Said Assignors hereby sell, assign, transfer and convey to Assignee the
full and exclusive right, title and interest (a) in and to said Application and said

invention; (b) in and to all rights to apply for patents on said invention in any and all countries pursuant to the International Convention for the Protection of Industrial Property or otherwise; (c) in and to any and all Applications filed and any and all Patents granted on said invention in any and all countries and groups of countries, including each and every Application filed and each and every Patent granted on any application which is a division, substitution, or continuation of said Application; and (d) in and to each and every reissue or extension of any of said Patents.

2. Said Assignors hereby covenant and agree to cooperate with said Assignee to enable said Assignee to enjoy to the fullest extent the right, title and interest to said invention herein conveyed in any and all countries and groups of countries. Such cooperation by said Assignors shall include prompt production of pertinent facts and documents, giving testimony, execution of petitions, oaths, specifications, declarations or other papers, and other assistance all to the extent deemed necessary or desirable by said Assignee (a) for perfecting in said Assignee the right, title and interest herein conveyed; (b) for prosecuting any of said applications; (c) for filing and prosecuting substitute, divisional, continuing or additional applications covering said invention; (d) for filing and prosecuting applications for reissuance of any of said Patents; (e) for interference or other priority proceedings involving said invention; and (f) for legal proceedings involving said invention and any application therefor and any Patents granted thereon, including without limitation opposition proceedings, cancellation proceedings, priority contests, public use proceedings, infringement actions and court actions; provided, however, that the expense incurred by said Assignors in providing such cooperation shall be paid for by said Assignee.

3. The term and covenants of this agreement shall inure to the benefit of said Assignee, its successors, assigns and other legal representatives, and shall be binding upon said Assignors, their respective heirs, legal representatives and assigns.

4. Said Assignors hereby warrant and represent that they have not entered and will not enter into any assignment, contract, or understanding in conflict herewith.
