ASSIGNMENT

This Assignment is made by DAVID, Norm, of 1150 – 572 Nicola Place, Port Coquitlam, British Columbia V3B 0K4; SANABIO, Igor, of 1150 – 572 Nicola Place, Port Coquitlam, British Columbia V3B 0K4; and JENSEN, Russ of 1150 – 572 Nicola Place, Port Coquitlam, British Columbia V3B 0K4 (collectively the “Assignors”) to Lightheaded Lighting Ltd. having a place of business at 1150 – 572 Nicola Place, Port Coquitlam, British Columbia V3B 0K4 (the “Assignee”);

WHEREAS Assignors are the owner of a new and useful invention (the “Invention”) entitled CEILING-MOUNTED LED LIGHT ASSEMBLY for which a patent application will be filed substantially contemporaneously with the filing of this assignment (the “Application”);

WHEREAS, Assignors believe themselves to be the first, original and joint inventors of the Invention disclosed in said Application; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire worldwide right, title and interest in and to said Invention, said Application, and any patent that may be granted for said Invention anywhere in the world;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors hereby sell, assign and transfer to Assignee, the entire worldwide right, title and interest in and to said Invention, said Application, any applications in other countries for the same Invention and any patent that may be granted for said Invention anywhere in the world, including the right to file foreign applications directly in the name of the Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

Further, Assignors agree that, upon request and without further compensation, but at no expense to Assignors, they and their legal representative(s) and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing or enforcing any patent as may issue anywhere in the world for said Invention, and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to said Invention, said applications, and any patent granted for said invention anywhere in the world.

Further, Assignors agree to provide, upon request, copies of all documents pertaining to the conception or development of the Invention.

Assignors represent and warrant that they have not granted and will not grant to any other any rights inconsistent with the rights granted herein.

Assignors authorize and request the Commissioner of Patents and Trademarks of the United States and of all foreign countries or patent organizations to issue any patent granted for said Invention, whether on said applications or on any subsequently filed division, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in said Invention.
