ASSIGNMENT

WHEREAS, **Wikibuy Holdings, LLC**, a company of Delaware, whose post office address is 3711 S. Mopac Expressway, Building 1, Suite 150, Austin, Texas 78746 (hereinafter referred to as Assignor), has filed and owns all right, title, and/or interest in and to one or more of the inventions described in the applications listed in the attached Appendix A, the applications listed in Appendix A, and the Letters Patent to be issued upon the applications listed in Appendix A;

WHEREAS, **Capital One Services, LLC**, a company of Delaware, whose post office address is 1680 Capital One Drive, McLean, VA 22102 (hereinafter referred to as Assignee), is desirous of securing and memorializing its entire right, title, and interest in and to the inventions described in the applications listed in the attached Appendix A in all countries throughout the world, in and to any applications for United States or foreign patents on those inventions, and any patents to be issued upon such applications;

NOW THEREFORE, be it known that, for good and valuable consideration, the receipt of which from Assignee is hereby acknowledged, Assignor has sold, assigned, transferred, and set over, and does hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, its entire right, title, and interest in and to the applications listed in Appendix A, all nonprovisional applications, divisions, and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, and all rights to claim priority on the basis of the applications listed in Appendix A, and all applications for Letters Patent filed for the inventions described in the applications listed in Appendix A in any foreign country and all Letters Patent which may be granted on the inventions described in the applications listed in Appendix A in any foreign country, and all extensions, renewals, and reissues thereof; and hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for these inventions to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, Assignor HEREBY further covenants and agrees that it will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to Assignor and its officers and employees respecting these inventions, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to the inventions described in the applications listed in Appendix A in said Assignee, its successors or assigns, execute all nonprovisional, divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for these inventions in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.
