I also agree that I will, at the request of CTE SISTEMI S.R.L., execute any and all applications for letters patent for the invention, execute any and all other papers and documents and do all other and further lawful acts that CTE SISTEMI S.R.L., may deem necessary or desirable to obtain letters patent on the invention, to secure the grant of such letters patent and to protect and vest in CTE SISTEMI S.R.L., the undivided interests in the right, title and interest in the invention, applications and letters patent.
