SECOND LIEN SECURITY AGREEMENT SUPPLEMENT FOR INTELLECTUAL PROPERTY

SUPPLEMENT NO. 2 (this “Supplement”), dated as of September 23, 2022, to the Second Lien Security Agreement dated as of December 12, 2014 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”) among the Grantors as defined therein and WILMINGTON TRUST, NATIONAL ASSOCIATION, solely in its capacity as collateral agent for the Secured Parties (in such capacity and together with its successors and assigns, the “Collateral Agent”).

A. Reference is made to that certain Indenture dated as of November 19, 2019, as supplemented by the Supplemental Indenture dated as of the date hereof (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Indenture”), among 1011778 B.C. Unlimited Liability Company, an unlimited liability company organized under the laws of British Columbia (the “Issuer”), New Red Finance, Inc., a Delaware corporation (the “Co-Issuer” and together with the Issuer, the “Issuers”), the Guarantors from time to time party thereto and Wilmington Trust, National Association, as the trustee (in such capacity, and together with its successors and permitted assigns, the “Trustee”) and the Collateral Agent.

B. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Indenture and the Security Agreement referred to therein.

C. In connection with the Indenture, the Issuer and the Grantors have entered into the Security Agreement. Section 6.14 of the Security Agreement provides that certain Persons may become Grantors under the Security Agreement by execution and delivery of an instrument in the form of this Supplement. The undersigned Person (the “New Grantor”) is executing this Supplement in accordance with the requirements of the Indenture to become a Grantor under the Security Agreement.

Accordingly, the Collateral Agent and the New Grantor agree as follows:

SECTION 1. In accordance with Section 6.14 of the Security Agreement, the New Grantor by its signature below becomes a Grantor under the Security Agreement with the same force and effect as if originally named therein as a Grantor and the New Grantor hereby (a) agrees to all the terms and provisions of the Security Agreement applicable to it as a Grantor thereunder and (b) represents and warrants that the representations and warranties made by it as a Grantor thereunder are true and correct on and as of the date hereof. Each reference to a “Grantor” in the Security Agreement shall be deemed to include the New Grantor. The Security Agreement is hereby incorporated herein by reference.

SECTION 2. The New Grantor represents and warrants to the Collateral Agent and the other Secured Parties that this Supplement has been duly authorized, executed and delivered by it and constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms, except as such enforceability may be limited by Debtor Relief Laws and by general principles of equity.

SECTION 3. This Supplement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Supplement shall become effective when the Collateral Agent shall have received a counterpart of this Supplement that bears the signature of the New Grantor, and the Collateral Agent has executed a counterpart hereof. Delivery of an executed signature page to this Supplement by facsimile transmission or other electronic communication (including “.pdf” or “.tif” files) shall be as effective as delivery of a manually signed counterpart of this Supplement.

SECTION 4. The New Grantor hereby represents and warrants that (a) set forth on Schedule I attached hereto is a true and correct schedule of the Collateral owned by the New Grantor consisting of (i) issued and pending Patents in the United States Patent and Trademark Office and the Canadian Intellectual Property Office, (ii) registered Trademarks and Trademarks for which applications are pending in the United States Patent and Trademark Office and the Canadian Intellectual Property Office (excluding any Excluded Property) and (iii) registered Copyrights in the United States Copyright Office and the Canadian Intellectual Property Office and (b) set forth under its signature hereto is the true and correct legal name of the New Grantor, its jurisdiction of formation and the location of its chief executive office.

SECTION 5. The New Grantor hereby grants to the Collateral Agent for the benefit of the Secured Parties a security interest in all of such Grantor's right, title and interest in and to the Collateral, including:

(a) the issued and pending Patents (as defined in the Security Agreement) in the United States Patent and Trademark Office and the Canadian Intellectual Property Office set forth in Schedule I hereto;

(b) the registered Trademarks (as defined in the Security Agreement) and Trademarks for which applications are pending in the United States Patent and Trademark Office and the Canadian Intellectual Property Office set forth in Schedule I hereto (excluding any Excluded Property); and

(c) the registered Copyrights (as defined in the Security Agreement) in the United States Copyright Office and the Canadian Intellectual Property Office set forth in Schedule I hereto.

SECTION 6. This Supplement has been entered into in conjunction with the provisions of the Security Agreement. The New Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Collateral Agent with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Supplement and the terms of the Security Agreement, the terms of the Security Agreement shall govern. Notwithstanding anything herein to the contrary, (i) the Liens and security interests granted to the Collateral Agent for the benefit of the Secured Parties pursuant to this Supplement are expressly subject and subordinate to the liens and security interests granted to the Credit Facility Agent pursuant to the First Lien Security Agreement and (ii) the exercise of any right or remedy by the Collateral Agent hereunder is subject to the limitations and provisions of the Intercreditor Agreements (or any other intercreditor agreement to which the Collateral Agent is party in respect of the Secured Obligations). In the event of any conflict between the terms of any Intercreditor Agreement (or such other intercreditor agreement) and the terms of this Supplement, the terms of such Intercreditor Agreement (or such other intercreditor agreement) shall govern and control.

SECTION 7. The New Grantor authorizes and requests that the Register of Copyrights, the Commissioner for Patents, the Commissioner for Trademarks and the Canadian Intellectual Property Office and any other applicable government officer record this Supplement.

SECTION 8. Except as expressly supplemented hereby, the Security Agreement shall remain in full force and effect.

SECTION 9. THIS SUPPLEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

SECTION 10. In case any one or more of the provisions contained in this Supplement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Security Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 11. All communications and notices hereunder shall be in writing and given as provided in Section 6.01 of the Security Agreement.

SECTION 12. Reimbursement of the Collateral Agent's expenses under this Supplement shall be governed by the applicable sections of the Security Agreement.

SECTION 13. The Collateral Agent makes no representation as to the validity or sufficiency of this Supplement.

[Remainder of Page Intentionally Blank]

IN WITNESS WHEREOF, the New Grantor and the Collateral Agent have duly executed this Supplement to the Security Agreement as of the day and year first above written.
