ASSIGNMENT

WHEREAS, Kevin Cherry, Monty McVaugh, John Sauer, and Alexander Stevens, and each one of them, hereinafter referred to as ASSIGNOR, is a named inventor of the inventions entitled: " **MATERIAL HANDLING APPARATUS AND METHOD FOR AUTOMATIC AND MANUAL SORTING OF ITEMS USING A DYNAMICALLY CONFIGURABLE SORTING ARRAY**" described and claimed in U.S. Pat. Application No. 16/658,849 filed October 21, 2019 and International Patent Application No. PCT/US17/50294 filed September 6, 2017;

WHEREAS, **OPEX CORPORATION**, a corporation organized and existing under and by virtue of the laws of the State of New Jersey, and engaged in business at 305 Commerce Drive, Moorestown, NJ 08057, hereinafter referred to as ASSIGNEE, is desirous of acquiring the said inventions and any and all applications for Letters Patent and any and all Letters Patent of the United States and foreign countries that may be issued therefor;

NOW, THEREFORE, the parties hereto, intending to be legally bound, agree that, in consideration of good and valuable consideration paid to ASSIGNOR by ASSIGNEE, the receipt of which is hereby acknowledged, ASSIGNOR has sold, assigned and set over and hereby does sell, assign and set over, unto ASSIGNEE, its successors and assigns, his or her entire right, title and interest for, to and within the United States and all foreign countries, in and to the aforesaid inventions and the applications identified above, including any and all provisional applications, continuations, divisionals, continuations-in-part, reissues and re-examinations thereof, and in and to any and all Letters Patent that may issue therefor in the United States and in any and all foreign countries (including related rights such as utility model registrations, inventors' certificates and the like). In addition, ASSIGNOR has sold, assigned and set over and hereby does sell, assign and set over, unto ASSIGNEE, its successors and assigns, the right to claim priority in any and all foreign applications, including applications filed under the Patent Cooperation Treaty, to the above-referenced applications and any and all provisional, continuation, divisional, and continuation-in-part applications for the inventions.

ASSIGNOR covenants that ASSIGNOR has full right to convey the entire interest herein assigned, and that ASSIGNOR has not executed and will not execute any agreement that will conflict with the terms of this assignment. Further, ASSIGNOR hereby authorizes and requests the Commissioner of the U.S. Patent and Trademark Office, and any official of any country foreign to the United States whose duty is to issue patents, design registrations, inventors certificates or the like, to issue any and all Letters Patent, registration or certificate for such invention to ASSIGNEE, its successors and assigns, as the owner of all right, title and interest therein.

And for said consideration, it is hereby covenanted and agreed that at the request and expense of ASSIGNEE, its successors and assigns, ASSIGNOR will execute any further papers and do such other acts and things as may be necessary and proper to permit ASSIGNEE, its successors and assigns, to procure and enforce Letters Patent for said inventions in the United States and in such foreign countries as ASSIGNEE, its successors and assigns may elect, and vest the full title thereto in ASSIGNEE, its successors and assigns.

IN WITNESS WHEREOF, this Assignment has been executed on the day and month indicated below.
