## **PATENT SECURITY AGREEMENT**

This **PATENT SECURITY AGREEMENT** (this “**Agreement**”), dated as of September 30, 2022, by each of Cariti LLC, Cuddsy LLC, Explorefirst LLC, Homelife LLC, Just Fur Love LLC, Perch Acquisition Co 36, LLC, Snow Goose Games LLC and Wedge and Wagon LLC (each individually, a “**Grantor**” and collectively, the “**Grantors**”) in favor of Victory Park Management, LLC, as collateral agent (the “**Collateral Agent**”) for the secured parties referred to below. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement, as defined below.

### **WHEREAS:**

A. Reference is made to that certain (i) Pledge and Security Agreement, dated as of October 15, 2020 (as amended, restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”), entered into by and among the Grantors, Whele LLC, a Delaware limited liability company, the other Guarantors party thereto, Collateral Agent and the other parties party thereto which secures certain now existing and future arising obligations owing to the Secured Parties (as defined in the Security Agreement) under the Transaction Documents as provided in the Security Agreement;

B. Pursuant to the Security Agreement, the Grantors are required to execute and deliver to the Collateral Agent this Agreement;

C. Pursuant to the terms of the Security Agreement, the Grantors have granted to the Collateral Agent, for the benefit of the Secured Parties, a security interest in substantially all the assets of the Grantors, including all right, title and interest of the Grantors in, to and under all now owned and hereafter acquired Patents and Patent Licenses to secure the payment of the Obligations (each as defined in the Security Agreement).

**NOW, THEREFORE**, in consideration of the mutual agreements set forth herein and for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantors hereby grant to the Collateral Agent, for the benefit of the Secured Parties, to secure the Obligations, a continuing security interest in all of the Grantors’ right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired:

1. all of its United States and foreign patents and certificates of invention, or similar industrial property rights, and applications for any of the foregoing owned or licensed by such Grantor, including, but not limited to: (i) all registrations and applications therefor referred to in Schedule 1 annexed hereto, (ii) all reissues, divisions, continuations, continuations-in-part, extensions, renewals, and reexaminations thereof, (iii) all rights corresponding thereto throughout the world, (iv) all inventions and improvements described therein, (v) all rights to sue for past, present and future infringements thereof, (vi) all licenses, claims, damages, and proceeds of suit arising therefrom, and (vii) all Proceeds of the foregoing, including, without limitation, licenses, royalties, income, payments, claims, damages, and proceeds of suit;

2. all agreements and licenses to which such Grantor is a party providing for the granting of any right in or to Patents or otherwise providing for a covenant not to sue with respect to a Patent (whether such Grantor is licensee or licensor thereunder) listed on Schedule 1 annexed hereto.

3. all products and proceeds of the foregoing, including, without limitation, any claim by the Grantors against third parties for past, present or future infringement, misappropriation, dilution, violation or other impairment of any Patent, including, without limitation, any of its Patents referred to in Schedule 1 annexed hereto, any Patent issued pursuant to a Patent application referred to in Schedule 1 and any Patent licensed under any of its Patent license listed on Schedule 1 annexed hereto (items 1 through 3 being herein collectively referred to as the “**Patent Collateral**”).

This security interest is granted in conjunction with the security interests granted to the Collateral Agent, for itself and on behalf of the other Secured Parties, pursuant to the Security Agreement. The Grantors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Patent Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

This Agreement shall be a contract made under, and governed and enforced in every respect by, the internal laws of the State of New York, without giving effect to its conflicts of law principles other than §5-1401 and 5-1402 of the New York General Obligations Law. The parties hereto (a) agree that any legal action or proceeding with respect to this Agreement or any other agreement, document, or other instrument executed in connection herewith or therewith, shall be brought in any state or federal court located within the City of New York, New York, (b) irrevocably waive any objections which either may now or hereafter have to the venue of any suit, action or proceeding arising out of or relating to this Agreement, or any other agreement, document, or other instrument executed in connection herewith, brought in the aforementioned courts and (c) further irrevocably waive any claim that any such suit, action, or proceeding brought in any such court has been brought in an inconvenient forum.

**[Remainder of Page Intentionally Left Blank; Signature Page Follows]**

Each Grantor has caused this Patent Security Agreement to be duly executed by its duly authorized officer thereunto as of the date first set forth above.

#### Patent Licenses:

From time to time, in the ordinary course of business, Grantors and their affiliates license certain patents to third parties pursuant to patent royalty agreements (to date, this has primarily been patents associated with the iPrimio brand).
