Worldwide Assignment

WHEREAS, Christopher Jon Wicken, Alex John Fountain and Joshua Ryan Olson ("ASSIGNORS"), are co-inventors for the invention entitled "MOVABLE DISPLAY SYSTEM" for which a non-provisional patent application was filed in the United States Patent and Trademark Office on July 28, 2022, under Application No. 17/815,622; and

WHEREAS, Balloon Innovations Inc. ("ASSIGNEE"), a company, whose postal address is 9160 Marshall Place, Westminster, Colorado 80031, desires to acquire the entire right, title, and interest in and to the invention, the application, and any Letters Patent to be granted for the invention in the United States and in all foreign countries;

NOW, THEREFORE, in consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt and sufficiency of which ASSIGNORS acknowledge, they have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto ASSIGNEE, its successors, legal representatives, and assigns, the entire right, title, and interest in and to the invention, the application, all applications claiming benefit of the application, including, but not limited to, all divisions and continuations of the application, and all Letters Patent that may be granted thereon in the United States, Canada and in all foreign countries, and all reissues thereof, together with the right to claim priority under the International Convention in all member countries; and ASSIGNORS authorize and request the Director of Patents and Trademarks to issue all Letters Patent for the invention to ASSIGNEE, its successors, legal representatives, and assigns in accordance with the terms of this Assignment;

AND ASSIGNORS covenant and agree that they have the full right to convey the entire right, title, and interest herein assigned and that they have not executed and will not execute any assignment or other instrument in conflict with this Assignment;

AND ASSIGNORS further covenant and agree that upon request by ASSIGNEE, its successors, legal representatives, and/or assigns, and without further consideration, ASSIGNORS will do all lawful acts that may be necessary or desirable to assist ASSIGNEE, its successors, legal representatives, and/or assigns to obtain and enforce patent protection for the invention in the United States and in all foreign countries, communicate with ASSIGNEE, its successors, legal representatives, and/or assigns any facts known to ASSIGNORS regarding the invention, testify in any legal proceeding, sign all lawful papers, execute and deliver all papers that may be necessary or desirable to perfect the title to the invention in ASSIGNEE, its successors, legal representatives, and/or assigns, execute all divisional, continuation, and reissue applications, and make all rightful oaths, it being understood that any expense incident to the rendering of such assistance will be borne by ASSIGNEE, its successors, legal representatives, and/or assigns; and

AND this Assignment may be executed in counterparts, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same assignment.
