ASSIGNMENT

WHEREAS, we, **Jude L. Sasing**, of 44 E. Aguinaldo St., Area 1, U.P. Campus, Quezon City 1101, Philippines; and **Ramon B. Gustilo** of 6541 Beach Road, Eden Prairie, Minnesota 55344; have invented certain new and useful improvements in "**MAGNETIC TRACKING SYSTEMS AND METHODS OF DETERMINING POSITION AND ORIENTATION**", the application which can be identified in the United States Patent and Trademark Office by U.S. Patent Application No. 17/506,157, filed October 20, 2021.

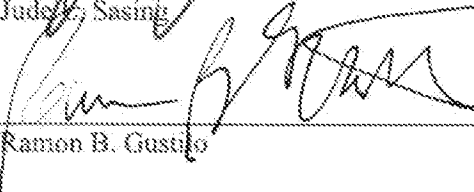

WHEREAS, **Orthopaedic International, Inc.**, a Corporation of the Philippines, and having an address of #9 West Road, Light Industry and Science Park 1, Cabuyao, Laguna 4025, Philippines, is desirous of acquiring the entire right, title and interest of **Jude L. Sasing** in and to said invention, said application and in, to and under any and all Letters Patents to be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto said **Orthopaedic International, Inc.**, its successors and assigns, our entire right, title and interest in and to said inventions, said application, all non-provisional, continuation, divisional, reissue, and reexamination applications thereof, and any Letters Patents, both foreign and domestic, that may or shall issue from such applications, including all rights under the Paris Convention, European Convention, Patent Cooperation Treaty, and other international treaties and conventions, and we do hereby authorize and request the Director of the United States Patent and Trademark Office to issue said Letters Patent to the above-mentioned assignee in accordance herewith.

We further authorize said assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patents, in its own name, if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the Paris Convention, European Convention, Patent Cooperation Treaty, and other international treaties and conventions.

We do hereby covenant and agree with the said assignee, its successors and assigns, that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we or our executors or administrators will, at any time upon request, but at the expense of said assignee, its successors and assigns, execute such additional writings and do such additional acts as said assignee, its successors and assigns, reasonably may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, non-provisional, divisional, continuation, reexamination, reissued, utility model, petty patent, or extended Letters Patent of the United States, or of any and all foreign countries on said invention, and in enforcing any rights, occurring as a result of such applications or patents, by giving testimony in any proceedings involving such applications or patents.

In Witness Whereof, we hereunto sign our names on the date(s) set forth below.
