ASSIGNMENT

For good and valuable consideration received of the hereinafter named assignee, receipt of which is hereby acknowledged, I/we,

Christopher H. Hutchins

Meviltan Mendis

Ron R Stahl

Srikiran Kosanam

Girish Barade

hereby assign to Bendix Commercial Vehicle Systems LLC having a place of business at 35500 Chester Road, Avon, OH 44011, its successors and assigns, the entire right, title and interest, so far as concerns the United States and the Territories and Possessions thereof and all foreign countries, in and to the inventions in

System and Method for Controlling an Electronic Parking Brake

set forth in the application for United States Letters Patent filed herewith; OR

set forth in the application for United States Letters Patent, Application No. 16/952655, filed 11/19/2020,

said application for United States Letters Patent, any and all other applications for Letters Patent on said inventions in countries foreign to the United States, including all divisional, renewal, substitute, continuation and Convention applications based in whole or in part upon said inventions or upon said applications, and any and all Letters Patents and reissues and extension of Letters Patent granted for said inventions or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said applications and said Letters Patent; said assignee being hereby authorized to file patent applications in any or all countries on any or all said inventions in the name of the undersigned or in the name of said assignee or otherwise as said assignee may deem advisable, under the International Convention or otherwise; the Commissioner of Patents of the United States of America and the empowered officials of all other governments being hereby authorized to issue or transfer all said Letters Patent to said assignee in accordance herewith; this assignment being under covenant, not only that full power to make the same is had by the undersigned, but also that such

ASSIGNMENT
