ASSIGNMENT

THIS ASSIGNMENT is made and entered into by and between Enveric Biosciences, Inc., a Delaware corporation having an address at 4851 Tamiami Trail N, Suite 200, Naples, FL 34103 ("Assignor") and Akos Biosciences, Inc., a Delaware corporation having an address at 4851 Tamiami Trail N, Suite 200, Naples, FL 34103 ("Assignee").

WHEREAS, Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor, the entire right, title, and interest in and to all Intellectual Property set forth herein that is owned by Assignor;

NOW, THEREFOR, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assigner hereby transfers and assigns to Assignee its entire right, title, and interest in and to the patents and patent applications listed on Schedule A for the United States, its territorial possessions and all foreign countries, and to any and all Letters Patent which may be granted therefor in the United States, its territorial possessions and all foreign countries; and in and to any and all continuations-in-part, continuations, divisions, substitutes, reissues, reexaminations, extensions thereof, and all other forms of protection relating thereto which have been or shall be filed in the United States, its territorial possessions and/or any foreign countries, and all rights, together with all priority rights, under any of the international conventions, unions, agreements, acts, and treaties, including all future conventions, unions agreements, acts, and treaties.

Assignor agrees that when requested to carry out in good faith the intent and purpose of this assignment, at the expense of said Assignee, its successors, assigns and legal representatives, the undersigned will execute all rightful oaths, assignments, powers of attorney and other papers, testify in any legal or quasi legal proceedings; and generally do everything possible which said Assignee, its successors, assigns, or legal representatives shall consider desirable for aiding in securing, maintaining and enforcing

and for vesting title to the patents and patent applications listed on Schedule A in Assignee, its successors, assigns, or legal representatives.

Assignor agrees that a copy of this Assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Assignee to apply for patent or other forms of protection and to claim the aforesaid benefit of the right of priority.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be executed by their duly authorized representatives.
