*Peter Michael Agliata, residing at 108 Emily Circle, Birmingham, AL 35242
Rohan J. De Fonseca, residing at 17 Christy Lane, Ocean, NJ 07712*

HEREBY sell, assign, transfer and convey to Hubbell Incorporated, a Delaware limited liability company having a principal place of business at 40 Waterview Drive, Shelton, CT 06484US (hereinafter "Assignee"), its successors, assigns and legal representatives, the entire right, title and interest for all countries, in and to any and all inventions which are disclosed and claimed, and as possessed by the undersigned, any and all inventions which are disclosed but not claimed, in United States patent application entitled:

PWM CONTROL FOR POWER DISTRIBUTION CIRCUIT INTERRUPTING DEVICES

*☒ which was filed as U.S. Patent Application No. 17/156,257 filed January 22, 2021,
☒ which was filed as International Patent No. PCT/US21/14739 filed January 22, 2021,
☒ which was filed as US Provisional Application 63/046,387 filed June 30, 2020,
and which claims priority to US Provisional Application 62/965,579 filed January 24, 2020.*

and in and to said application (including any said provisional application and non-provisional application) and all regular, divisional, continuing, substitute, renewal, reissue, and all other applications for U.S. Letters Patent or other related property rights in any and all foreign countries which have been or shall be filed on any of said inventions disclosed in said application; and in and to all original and reissued patents or related foreign documents which have been or shall be issued on said inventions; and

Authorize and request the Director of the United States Patent and Trademark Office to issue to said Assignee its successors, assigns and legal representatives, in accordance with this assignment, any and all United States Letters Patent on said inventions or any of them disclosed in said application; and

Agree that said Assignee may apply for and receive foreign Letters Patent or rights of any other kind for said inventions, or any of them; and may claim, in applications for said foreign Letters Patent or other rights, the priority of the aforesaid United States patent application under the provisions of the International Convention of 1883 and later modifications thereof, under the Patent Cooperation Treaty, under the European Patent Convention or under any other available international agreement; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns and legal representatives, to carry out in

good faith the intent and purpose of this assignment, the undersigned or the undersigned's executors or administrators will, for the United States and all foreign countries, execute all regular, divisional, continuing, substitute, renewal, reissue, and all other patent applications or other documents on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns and legal representatives, all facts known and documents available to the undersigned relating to said inventions and the history thereof, testify in all legal proceedings; and generally do everything possible which said Assignee, its successors, assigns or legal representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said inventions and for vesting title to said inventions and all applications for patents or related foreign rights and all patents on said inventions, in said Assignee, its successors, assigns and legal representatives, and

COVENANT with said Assignee, its successors, assigns and legal representatives, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned; and

The undersigned hereby grant(s) registered practitioners of the firm of Wissing Miller LLP of The Lofts at Manhattan West, 434 West 33rd Street, 7th Floor, New York, NY 10001, US, the power to insert on this assignment any further identification, including the application number and filing date, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
