Exhibit C

ASSIGNMENT

(AMERICAN POLYWATER CORPORATION TO ENCORE WIRE CORPORATION)

WHEREAS, AMERICAN POLYWATER CORPORATION, a Minnesota corporation, having its principal place of business at 1222 60th Street North, Stillwater, Minnesota 55082, hereinafter the "Assignor", is the owner of certain useful invention entitled:

COMPOSITION AND METHOD FOR REDUCTION OF COEFFICIENT OF FRICTION IN WIRE OR CABLE

WHEREAS, ENCORE WIRE CORPORATION, a Delaware corporation, having a principal office and place of business at 1329 Millwood Road, McKinney, Texas, 75069 hereinafter called the "Assignee", is desirous of acquiring the entire right, title and interest in and to the invention listed above, from the Assignor;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that for valuable and legally sufficient consideration, the receipt of which by the Assignor from the Assignee is hereby acknowledged, the Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer unto the Assignee, its successors and assigns, the entire right, title and interest in and to the inventions identified above, and all Letters Patents that may issue for the said inventions, and all divisions, reissues, substitutions, continuations, and extensions thereof, to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns to the full end of the term for which any and all of said Letters Patents for the said inventions may issue.

FURTHER, be it known that the Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer unto the Assignee, its successors and assigns, the entire foreign rights to the inventions disclosed in said applications, in all countries of the world, including the right to file applications and obtain patents under the terms of the International Convention for the Protection of Industrial Property, and of the European Patent Convention, and further agrees to execute any and all patent applications, assignments, affidavits, and any other papers in connection therewith necessary to perfect such patent rights.

And the Assignor does hereby covenant and agree, for himself and his legal representatives, that they will assist the Assignee in the prosecution of the application herein identified; in the making and prosecution of any other applications for Letters Patent that the Assignee may elect to make covering the inventions herein identified, as herein before set forth, including any application for reissue, application for reexamination, application for foreign patent rights, or any proceeding in the United States Patent and Trademark Office affecting the inventions, investing in the Assignee exclusive title in and to all such other applications and Letters Patent; and in the prosecution of any interference which may arise involving said inventions, or any application or Letters Patents herein contemplated; that they will promptly execute and deliver to the Assignee any and all additional papers and make all lawful oaths which may be requested by the Assignee to fully carry out the terms of this assignment; and further that they will communicate to Assignee, or to its successors, assigns, and legal
