PATENT ASSIGNMENT

THIS ASSIGNMENT, by TIMOTHY KEELER; (the "Assignor") dated as of 11/08/2022 witnesseth:

WHEREAS, said Assignor has invented certain new and useful improvements in **SYSTEM ACCOUNT ACCESS MANAGER** set forth in a U.S. patent application bearing Serial No. **15/151,497** on 05/11/2016 and patented as United States Patent No. 10,505,939 Issued on 12/10/2019; and

WHEREAS, REMEDIANT, INC. a corporation duly organized under and pursuant to the laws of Delaware and having a principal place of business at Two Embarcadero Center, Floor 8, San Francisco CA 94111 ("Assignee") is desirous of acquiring the entire right, title and interest in and to said inventions and said application, and in and to any patents, United States or foreign, to be obtained therefor and thereon:

NOW THEREFORE, in valuable consideration in **one dollar** and other good and sufficient considerations, the receipt of which is hereby acknowledged, said Assignor has sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, to Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-referenced inventions, application for Letters Patent, application, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon, and in and to any and all divisions, continuations, and continuations-in-part of said application, and reissues and extensions of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by said Assignee, for its own use and behoof and the use and behoof of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignor, had this sale and assignment not been made.

AND for the same consideration, Assignor hereby covenants and agrees to and with said Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, said Assignor is the joint and lawful owner of the entire right, title and interest in and to the above-referenced inventions and application for Letters Patent, and that the same are unencumbered and that said Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, said Assignor hereby covenants and agrees to and with said Assignee, its successors, legal representatives and assigns, that said Assignor will, whenever counsel of the said Assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said inventions, or said application for Letters Patent, or any proceeding in connection with Letters Patent for said inventions in any country, including interference proceedings, is

lawful and desirable, or that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said inventions, without charge to said Assignee, its successors, legal representatives and assigns, but at the cost and expense of said Assignee, its successors, legal representatives and assigns.

AND said Assignor hereby requests the Commissioner of Patents to issue said Letters Patent of the United States to said Assignee as the Assignee of said inventions and the Letters Patent to be issued thereon for the sole use and behoof of said Assignee, its successors, legal representatives and assigns.
