ASSIGNMENT

WHEREAS, I, Noah K. Wigington, of Decatur, Georgia, have invented a certain invention as described at least in part in U.S. Provisional Patent Application No. 62/905,062, filed on September 24, 2019, entitled "SEPARABLE MULTI-COMPARTMENT CONTAINER," which invention and application are collectively referred to as "the Invention."

WHEREAS, Packaging Corporation of America, a corporation organized under the laws of the State of Delaware, having a place of business at 1955 West Field Court, Lake Forest, IL 60045, desires to acquire an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I, Noah K. Wigington hereby sell, assign and transfer to Packaging Corporation of America, the full and exclusive right, title and interest in and to the Invention and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention, the Invention and letters patent in this or any foreign country, and all corresponding non-provisional applications, divisions, continuations, continuations-in-part, reissues and extensions thereof, to be held and enjoyed by Packaging Corporation of America, for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted by the United States or any foreign country, as fully and entirely as the same would have been held by me had this assignment and sale not been made, and covenant that I have full right so to do, and agree that I will communicate to Packaging Corporation of America, or its successors and assigns, any facts known to me respecting the Invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and do everything possible to aid Packaging Corporation of America, its successors and assigns to obtain and enforce proper patent protection for the Invention in the United States or any foreign country.

I confirm that at the time the invention was made, I was under an obligation to assign the Invention to Packaging Corporation of America.

I hereby grant the law firm of Klarquist Sparkman, LLP, the power to insert on this Assignment any further information which may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.
