ASSIGNMENT BY INVENTOR

THIS ASSIGNMENT, made by David A. Angulo Gonzalez (hereinafter referred to as Assignor), residing at 8201 SW 180th Street, Palmetto Bay, Florida 33157;

WHEREAS, Assignor has invented certain new and useful improvements in ANTIFUNGAL AGENTS WITH ENHANCED ACTIVITY IN ACIDIC PH, set forth in the following patent application:

International Patent Application No. PCT/US2018/044619, filed July 31, 2018, claiming priority to U.S. Provisional Patent Application No. 62/541,370, filed August 4, 2017;

WHEREAS, Scynexis, Inc., a Corporation organized under and pursuant to the laws of Delaware and having its principal place of business at 1 Evertrust Plaza, 13th Floor, Jersey City, New Jersey 07302 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said inventions and said International Patent Application, and in and to any Letters Patent in the United States and in any and all other countries to be obtained therefore and thereon; and

WHEREAS, Assignor has already assigned, to Assignee, his entire right, title, and interest in and to said U.S. Provisional Patent Application No. 62/541,370, filed August 4, 2017.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions, and in and to said International Patent Application No. PCT/US2018/044619, filed July 31, 2018, including the right to claim priority, and in and to any and all regional and national phase applications derived from said application, and in and to any and all

direct and indirect divisions, continuations and continuations-in-part of the foregoing, and in and to any and all Letters Patent in the United States and in any and all other countries that may be granted therefore and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

AND for the same consideration, Assignor hereby represents and warrants to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignor is the sole and lawful owner of the entire right, title and interest in and to the said inventions and said application above-mentioned, and that the same are unencumbered and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or said applications for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions in any country, including but not limited to interference and derivation proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue,

reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignor hereby requests the Commissioner for Patents and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignor hereby grants the following individuals the power to insert on this Assignment any further identification that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

COVINGTON & BURLING LLP

All practitioners at Customer Number 26853

AND Assignor acknowledges an obligation of assignment of said inventions to Assignee at the time said inventions were made.
