PATENT ASSIGNMENT

THIS PATENT ASSIGNMENT (this "Assignment") is entered into as of February 5, 2010 by and between Kee Action Sports LLC, a Delaware limited liability company ("Assignee") and JT Sports LLC, a Delaware limited liability company ("Assignor"). Capitalized terms not otherwise defined herein shall have the meaning ascribed to such terms in the Asset Purchase Agreement (as defined below).

RECITALS

WHEREAS, Assignee and Assignor entered into that certain Asset Purchase Agreement dated as of the date hereof (the "Asset Purchase Agreement"); and

WHEREAS, pursuant to Section 2.1(b) of the Asset Purchase Agreement, Assignor desires to assign to Assignee all of Assignor's rights, title and interest in and to patents, patent applications, patent disclosures and invention disclosures, together with reissuances, continuations, continuations-in-part, divisionals, revisions, extensions, reissues and reexaminations thereof listed on Exhibit A attached hereto and incorporated herein (collectively, the "Patents").

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing premises, the mutual covenants and agreements contained in the Asset Purchase Agreement, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the covenants and agreements in this Assignment and to induce Assignee to consummate the transactions contemplated by the Asset Purchase Agreement and the Ancillary Agreements, Assignor hereby agrees as follows:

1. **Grant.** Assignor does hereby sell, transfer, convey, assign and deliver to Assignee all of Assignor's rights, title and interest in and to the Patents, the same to be held by Assignee for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment and sale had not been made; together with all claims for damages by reason of past infringements of the Patents, along with the right to sue for and collect such damages for the use and benefit of Assignee and Assignee's successors, assigns and other legal representatives.

2. **Representations and Warranties of the Parties.** Each party represents and warrants that (a) this Assignment is a legal, valid and binding obligation of the warranting party, (b) such party has full power and authority to enter into and perform its obligations under this Assignment in accordance with its terms and (c) such party is and will remain free of any obligations and restrictions that would prevent or impede its performance of its obligations under this Assignment. For the avoidance of doubt, the representations and warranties contained in this Assignment shall not in any way limit or expand the representations and warranties contained in the Asset Purchase Agreement.

3. **Further Assurances.** Each party will, without additional consideration, take such further actions and execute promptly such further documents and instruments as are necessary to effect and record the above assignment, including any actions, documents or instruments required by the applicable registrar to document the transfer herein or as may be necessary to protect, perfect, secure and vest good, valid and marketable title to the Patents and related rights in Assignee.

4. **Recording of Assignment.** Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any officer of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of intellectual property protection or applications, to issue the same to Assignee and Assignee's successors, assigns and other legal representatives in accordance with the terms of this instrument.

5. **Asset Purchase Agreement.** This Assignment is executed and delivered pursuant to the Asset Purchase Agreement. This Assignment shall not be deemed to defeat, limit, alter, impair, enhance or enlarge any right, obligation, claim or remedy created by the Asset Purchase agreement, and in the event of any conflict between the Asset Purchase agreement and this Assignment, the Asset Purchase Agreement shall control.

6. **Counterparts.** This Agreement may be executed by facsimile signature and in two or more counterparts, each of which shall be deemed to be an original but all of which together will constitute one and the same instrument.
