INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This Intellectual Property Assignment Agreement ("Assignment") is made and entered into as of July 1, 2022 (the "Effective Date") by and between Polaris Industries, Inc., a Delaware corporation ("Assignor") and TAP Worldwide, LLC, a Delaware limited liability company ("Assignee"). Terms not defined herein but defined in the Purchase Agreement (as defined below) shall have the meaning defined in the Purchase Agreement. Assignor and Assignee are each referred to individually as a "Party" and referred to collectively as the "Parties."

WHEREAS, pursuant to that certain Purchase Agreement, dated as of June 13, 2022 by and among Polaris Industries Inc., a Delaware corporation ("Parent"), Polaris Sales Inc., a Minnesota corporation ("Polaris Sales"), and Polaris Industries Ltd., a Canada limited company ("Polaris Canada" and, together with Parent and Polaris Sales, "Sellers"), and Wheel Pros, LLC, a Delaware limited liability company ("Buyer") (as amended, restated, modified or supplemented from time to time, the "Purchase Agreement"), Seller has agreed to sell and transfer to Buyer all of the Purchased Interests (the "Transaction");

WHEREAS, in connection with the Transaction, Assignor has agreed, on behalf of itself and its Affiliates, to assign to Assignee of its and their their right, title, and interest in and to certain Intellectual Property, in accordance with the terms of this Assignment.

NOW, THEREFORE, in consideration of the representations, warranties, covenants and agreements contained in the Purchase Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and pursuant to the Purchase Agreement, Assignor and Assignee hereby agree as follows:

1. Assignment of Intellectual Property. Assignor hereby irrevocably sells, assigns, transfers, and conveys to Assignee, on behalf of itself and its Affiliates, for no additional consideration, all of Assignor's and its Affiliate's right, title, and interest in and to (i) all Intellectual Property (A) exclusively used in, exclusively held for use in, or exclusively related to the operation of the Business, or (B) developed exclusively by any employee or third party engaged by a TAP Group Company (or any of their predecessors), (ii) all Intellectual Property described on Schedule A, and (iii) all Patents that issue on any of the foregoing or are foreign counterparts, continuations, divisionals, continuations-in-part, reissues, reexaminations and extensions of any of the foregoing, in each case of (i) through (iii), to the extent owned by such Assignor or its Affiliates as of the Effective Date (collectively, the "Assigned IP"), including without limitation, the right to pursue registrations and applications for registration of the Assigned IP, the right to sue and recover for any past, present, or future infringement or misappropriation of the Assigned IP, the right to secure registration of the Assigned IP and this Assignment, and the right to initiate other proceedings before all Governmental Bodies with respect to the Assigned IP.

2. Recordation; Further Assurances. Assignor authorizes the Commissioner for Patents, Commissioner for Trademarks, Register of Copyrights and any other applicable governmental officials (or domain name registrars) to record and register this Assignment upon request by Assignee. Upon the reasonable written request of Assignee, Assignor agrees, at the expense of Assignee and without any further consideration, to execute and deliver such other documents, certificates, agreements and other writings and to take such other actions as may be

necessary or reasonably requested in order to consummate or make effective the transactions contemplated by this Assignment.

3. Miscellaneous. If any conflict or inconsistency exists between the terms of this Assignment and the terms of the Purchase Agreement, the terms of the Purchase Agreement shall govern and control. This Assignment shall be governed by and construed in accordance with the Laws of the State of Delaware applicable to agreements made and to be performed entirely within such State, without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction). This Assignment may be executed in any number of duplicate counterparts (including by means of .pdf format), each of which shall be deemed an original and all of which together shall constitute one and the same instrument. This Assignment may not be amended or altered except by a written instrument executed by the Parties.
