RECITALS

- (A) The Assignor is the proprietor of the patents listed in the Schedule to this assignment (**the "Patents"**);
- (B) The Patents embody inventions (**the "Inventions"**), and the Assignor is proprietor of the Inventions, including any rights required to work or which otherwise embody the Inventions, including, without limitation, any copyright in computer code which puts the Inventions into effect, and any trade secrets in relation to the working of the Inventions (together, **the "Ancillary Rights"**);
- (C) The Assignor has agreed to assign the Patents and all rights therein, including all national validations thereof, as well as the right to validate those Patents in any relevant territory, to the Assignee on the terms hereinafter appearing.

OPERATIVE PROVISIONS

1. In consideration of the sum of £1 now paid and other good and valuable consideration provided by the Assignee to the Assignor the receipt and sufficiency of which are hereby acknowledged, the Assignor hereby irrevocably conveys, sells, transfers and assigns unto the Assignee with full title guarantee ALL THAT the Assignor's full rights, title and interest in all countries of the world in:
 - (a) the Patents;
 - (b) all rights relating or attaching to the Patents including the right to apply for any issuances, divisions, continuations, continuations-in-part, reissues, extensions, re-examinations or renewals; and
 - (c) the right to bring legal proceedings for damages and other remedies in respect of any infringement of the Patents which may have occurred prior to the date of this Assignment;
 - (d) the Ancillary Rights, including without limitation all inventions, trade secrets, copyrights, rights in the nature of copyright, design rights and rights in the nature of design rights (whether registered or unregistered) and the right to apply for registration in respect of any such rights in all countries of the world for the full term or terms thereof including

any renewals, divisionals, extensions or continuations and the right to claim priority from the design; and

TO HOLD the same unto the Assignee absolutely.

2. The Assignor hereby agrees and undertakes that it will at the request and cost of the Assignee;
 - (a) do or procure to be done all such further acts and deeds and execute or procure to be executed all such further documents the Assignee may from time to time require in order to give to the Assignee the full benefit of this Assignment and to fully vest in the Assignee the full right title and interest in the Patents; and
 - (b) provide the Assignee all reasonable assistance with any proceedings which may be brought by or against the Assignee or by any third party relating to the Patents.
3. The Assignor hereby appoints the Assignee to be its attorney in order to execute, do all such acts and deeds, and execute all such further documents and instruments as the Assignee may in its absolute discretion deem necessary or desirable in order to give full effect to the Assignment herein set out and the Assignor hereby agrees, ratifies and confirms all such further acts, deeds, documents and instruments and which the Assignee may do or execute pursuant to such appointment.
4. This Assignment and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the law of England and Wales and the parties hereby irrevocably agree that the courts of England and Wales shall have exclusive jurisdiction to hear and determine any such dispute or claim.

IN WITNESS whereof the Parties have signed this document by their duly authorised representatives the day and the year set out at the head of this document.
