COMBINED DECLARATION AND ASSIGNMENT
FOR UTILITY OR DESIGN PATENT APPLICATION (37 C.F.R. 1.63)

As a below named inventor, I hereby declare that:

My residence and post office address are as stated below next to my name,

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application entitled:

IMPLANTABLE MODULAR ORTHOPEDIC PLATE SYSTEM

the application of which

is attached hereto OR
 was filed on November 9, 2020, US Patent Application No. 17/093,093

The above-identified application was made or authorized to be made by me.

WHEREAS, FREEDOM INNOVATIONS, LLC, a corporation of the United States of America, whose post office address is 9400 S. Saginaw, Suite A, Grand Blanc, MI 48439,

(hereinafter referred to Assignee), is desirous of securing the entire right, title and interest in and to this invention, the application for United States Letters Patent on this invention and the Letters Patent to be issued upon this application;

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, I/we, as Assignor(s), have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, the full and exclusive right to the said invention in the United States and its territorial possessions and in all foreign countries (including the right to claim priority under the terms of the International Convention and other relevant International Treaties and Arrangements from the aforesaid applications(s)) and the entire right, title and interest in and to any and all Letters Patent which may be granted therefore in the United States and its territorial possessions and in any and all foreign countries and in and to any and all divisions, reissues, continuations, substitutions and renewals thereof.

AND, I/WE HEREBY further covenant and agree that I/we will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to me/us respecting this invention and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors and assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.

AND, I/WE HEREBY authorize and request the attorneys I/we have empowered in the Declaration and Power of Attorney in this application, to insert here above the filing date and application number of said application when known.

I/WE HEREBY state that I/we have reviewed and understand the contents of the above-identified application, including the claims, as amended by any amendment specifically referred to above. I/we

acknowledge the duty to disclose information which is material to the patentability as defined in Title 37, Code of Federal Regulations §1.56.
