place of such Assignor in all matters related thereto; and each Assignor hereby authorizes the Commissioner of Patents and Trademarks of the United States or foreign equivalent thereof to issue the Letters Patent or similar legal protection to the Assignee.

Each Assignor authorizes the Assignee, its successors, and assigns, to insert in this instrument any additional filing date and application number related to the application named above when ascertained. Each Assignor authorizes the Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent or similar legal protection for a domestic application, in its own name if desired, and in any and all foreign countries.

Each Assignor represents to the Assignee, its successors, and assigns, that such Assignor has not and shall not execute any writing or do any act whatsoever conflicting with this Assignment and such Assignor agrees that this assignment supersedes all previously executed assignment regarding the above referenced applications. Each Assignor, or such Assignor's executors or administrators, will at any time upon request, without additional consideration, but at the expense of the Assignee, its successors and assigns, exclusive licensee, execute such additional writings and do such additional acts as the Assignee, its successors and assigns, exclusive licensee, may deem desirable to perfect its enjoyment of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing the Letters Patent or similar legal protection on the inventions in any and all countries.
