## ASSIGNMENT OF PATENT APPLICATION

I/We, **LESANKO, Michael** and **HANCHURAK, Stephen**, whose full post office addresses are both care of **3710 - 78 Avenue NW, Edmonton, Alberta, Canada T6B 3E5**, respectively ("Assignor", jointly and severally), for and in consideration of one (\$1.00) dollar Canadian and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, does/do hereby assign to **LIFTING SOLUTIONS INC.** ("Assignee") whose full post office address is **3710 - 78 Avenue NW, Edmonton, Alberta, Canada T6B 3E5**, all my/our right, title and interest in and to an invention relating to a **"METHOD AND SYSTEM FOR CONTROLLING MULTIPLE PUMP JACKS"** and worldwide rights therein, and in United States Patent Application No. **17/187,000** filed in the United States on February 26, 2021 for said invention including all divisions, continuations, continuations-in-part or substitutions thereof, and all United States and foreign patents that shall issue on said invention, including all reissues, renewals, re-examinations and extensions thereof, for the United States, its territories and possessions and all foreign countries, including the right to file corresponding applications for patents of the legal equivalent thereof on said invention in any and all foreign countries, and the right claim priority under any and all treaties and conventions to which the United States is a signatory thereof including the Paris Convention for the Protection of Industrial Property and the Patent Cooperation Treaty of the World Intellectual Property Organization ("WIPO") for such corresponding applications, national phase entry applications, or any division, continuation, continuation-in-part, renewal or substitution thereof, and to patents and any reissue, renewal, re-examination or extension thereof, the same to be held and enjoyed by said Assignee, it assigns and successors, as fully and entirely as the same would have been held and enjoyed by Assignor, had this assignment not been made. The undersigned hereby authorizes and requests the Commissioner of Patents of the United States and officials in all foreign countries to issue all patents or legal equivalents thereof based on said application and on each division, continuation, continuation-in-part, substitution, reissue, renewal, re-examination and extension thereof to said Assignee, its successors and assigns.

Assignor covenants and agrees that it shall, at any time on request and the expense of said Assignee, execute and deliver any and all papers and do all lawful acts that may be necessary or desirable, in the opinion of said Assignee, to enable and assist said Assignee to (a) obtain Letters Patent, both domestic and foreign, on said invention; (b) establish, maintain and secure title in said Assignee, its successors and assigns, to said invention, application and Letters Patent, including making such title of lawful public record; and (c) defend, establish or otherwise preserve the validity of said Letters Patent against any and all infringers, and perform such other acts as are necessary to give full force and effect to this assignment.

Assignor represents and warrants that no assignment, mortgage, sale, license, pledge, encumbrance or alienation of said invention or patent application has been or will be made or entered into that would conflict with this assignment.

Assignment of US Patent Application No. 17/187,000 to Lifting Solutions Inc.

ASSIGNOR HEREBY declares that all statements made herein of its own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, in the United States under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of any patent application filed in respect of said invention or any patent issued thereon.

IN TESTIMONY WHEREOF, I have duly executed this assignment as my free act and deed. Signed at Edmonton, Alberta, Canada this 23 day of November, 2022 and made effective as of February 26, 2021.
