## ASSIGNMENT

WHEREAS, we, Jordan P. Addison and Scott D. Colmyer each having a city and state of residence of Chandler, Arizona; and Aseem Singh, having a city and state of residence of Tempe, Arizona, and each having a mailing address of 1415 West 3rd Street, Tempe, Arizona 85281 US, have invented certain improvements in:

### IMPEDANCE MEASURING PROBE AND BIOPSY APPARATUS

described and claimed in an International application identified under Docket No. 740-PDF-16-14 WO, said International application having been executed by us by the signing of our Declarations concurrently herewith;

WHEREAS, C. R. Bard, Inc., a corporation organized and existing under the laws of the State of New Jersey, having its principal place of business at 730 Central Avenue, Murray Hill, New Jersey 07974, is to acquire the entire right, title and interest in and to said invention, said application(s), and any Letters Patent that may issue thereon;

NOW, THEREFORE, for and in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we do hereby assign, sell, transfer and set over unto said C. R. Bard, Inc., its successors and assigns, the full, entire and exclusive right, title and interest, for the territory of the United States of America and for all foreign countries, in and to said invention, as described in the application(s) identified above, and in and to said application(s), and any divisions or continuations or continuations-in-part thereof or substitutes therefor which may be filed, and in and to any patents or reissues, renewals or extensions thereof which may be granted on said applications or for said invention, and in and to any application which may be filed on said invention in countries foreign to the United States of America and any patents, utility models and designs granted thereon; said invention, applications, patents, utility models and designs to be held and enjoyed by said C. R. Bard, Inc., and its successors or assigns, to the full end of the term or terms for which said patents, utility models and designs may be granted, as fully and entirely as the same would have been held by us had this assignment not been made.

We hereby authorize and request the Patent and Trademark Office officials in the United States of America and the Patent Office officials of any and all foreign countries to issue any and all Letters Patent(s) granted on said applications to said C. R. Bard, Inc., its successors or assigns, as the assignee of my entire right, title and interest in and to the same, for the sole use and enjoyment of said C. R. Bard, Inc., its successors and assigns.

Further, we agree to execute all papers and to give such lawful testimony and to perform such other lawful acts in connection therewith as said C. R. Bard, Inc., its successors and assigns may require to enable it or them to perfect such right, title and interest in said C. R. Bard, Inc., its successors and assigns.
