CONFIRMATION OF ASSIGNMENT

- any legal equivalents of priority rights associated with an application for Letters Patent forming part of **The Intellectual Property**, including priority under International Agreements, Treaties and Conventions for the protection of intellectual property in its various forms and all applications in which a right of priority is claimed and any Letters Patent, Design Patent, Utility Model, or equivalent granted therefrom; and
- any right in and to all income, royalties, damages, and payments now, in the past, or hereafter due or payable which may be granted, and in and to all causes of action and other enforcement rights, and the right to sue, counterclaim, and recover for past, present, and future infringement of any right arising from the filing of an application for Letters Patent forming part of **The Intellectual Property**.

- testify with respect to all pertinent facts and documents relating to the **Assigned Patent Rights** in any interference, post grant review, inter partes review, litigation, or proceeding relating thereto;

4. Authorization to issue patents in name of Assignee

The **Assignor** and **Assignee** hereby confirms that the assignment to the **Assignee** of all rights in the **Assigned Patent Rights** included authorization by the **Assignor** for the United States Commissioner of Patents and Trademarks, and officials of any other country whose duty it is to issue patents on applications, to issue any Letters Patent arising from the **Assigned Patent Rights** to the **Assignee**, its successors, or assigns.

To the extent that the prior authorization is found insufficient, **Assignor** hereby authorizes United States Commissioner of Patents and Trademarks, and officials of any other country whose duty it is to issue patents on applications, to issue any Letters Patent arising from the **Assigned Patent Rights** to the **Assignee**, its successors, or assigns.

Assignor(s) grant the attorney of record the power to insert on this **Confirmation of Assignment** any further identification that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
