NOW THEREFORE

1) For valuable consideration, the receipt and adequacy of which is acknowledged, I/we, the above-named Assignor(s), each sell and assign to Tugboat Logic, Inc., a corporation having a place of business at: 433 Airport Boulevard, Suite 304, Burlingame, CA 94010, U.S. and having corporate powers under the laws of Delaware, hereinafter Assignee, the entire right, title and interest in and to the invention or inventions as described in US Patent Application received by USPTO under Application No. 17/373,534, filed on July 12th, 2021, entitled

Automated Risk Assessment Module with Real-Time Compliance Monitoring and naming Assignor(s) as inventor(s), and to any and all applications for patent and patents in any and all countries relating to said invention(s), including all divisions, continuations, reissues and extensions thereof, and including all domestic and foreign rights of priority resulting from the filing of said US patent application.

2) The above-identified application was made or authorized to be made by me/us. I/we believe I/we am/are the original inventor(s) or an original joint inventor(s) of a claimed invention in the above-identified application.

3) I/we hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment, and that at the time of execution and delivery of this assignment, I/we are the sole lawful owner(s) of the entire right, title and interest in and to said invention(s).

4) I/we hereby agree that Assignee may apply for foreign patents relating to said invention(s) and irrevocably authorize Assignee and grant Assignee the sole right to do so.

5) I/we agree that on request and without further consideration, but at the expense of Assignee, I/we will sign all lawful papers, make all rightful oaths, and testify in any legal proceedings relating to said invention(s), and generally aid Assignee, or its successors, assigns, or nominees, to obtain and enforce proper patent protection for said invention(s) in any and all countries.

6) I/we authorize and request any official whose duty it is to issue patents to issue any patent on said invention(s) or resulting therefrom to Assignee, or its successors, assigns, or nominees.
