ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, Vitec Holdings Italia SRL, an Italian Limited Liability Company, having a place of business at Via Valsugana 100, 36022 Cassola (VI) Italy, hereby sells, assigns, and transfers to Vitec Imaging Solutions S.p.A., an Italian Joint Stock Company, its successors and assigns, the entire right, title, and interest throughout the world in the following inventions, which have been filed with the United States Patent Office as the applications listed below, and all national, regional, and international patent applications and patents of every country or region for said inventions, including divisions, renewals, continuations, and extensions thereof, and all rights of priority resulting from the filing of said applications, and all causes of action relating to past infringement: Vitec Holdings Italia SRL authorizes the above-named assignee to apply for patents of foreign countries for said inventions, and to claim all rights of priority without further authorization from Vitec Holdings Italia SRL; Vitec Holdings Italia SRL agrees to execute all papers useful in connection with said United States and foreign applications, at their request and expense, in obtaining and enforcing patents for said invention in all countries and regions; and Vitec Holdings Italia SRL requests the United States Patent and Trademark Office to issue all patents granted for said invention to the above-named assignee, its successors, and assigns.
