ASSIGNMENT AGREEMENT

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned individuals (collectively, the "Inventors") hereby assign, transfer, and set over to:

FOUNDATION MONITORING SYSTEMS, LLC

having the following address:

223 North Rogers Road
Irving, Texas 75061

(referred to herein as "Company"), its successors and assigns, the entire right, title, and interest, worldwide, in and to the invention known by the following title (referred to herein as "Invention"):

APPARATUS AND METHOD TO DETECT FOUNDATION MOVEMENT

for which the Inventors have made an application for patent in the United States of America, together with said patent application, all divisions, continuations, continuations-in-part, reissues, and extensions thereof, and all Letters Patent (domestic and foreign) that may be granted therefor. Such interest represents the entire ownership of said applications and Letters Patent when granted and is to be owned by Company, its successors and assigns, or their legal representatives, for the full and entire term for which such Letters Patent may be granted or extended, as fully and entirely as the same would have been enjoyed by the Inventors if this assignment had not been made.

In addition, the undersigned Inventors each hereby agree:

1. To sign and execute any further documents that may be necessary or desirable, lawful, and proper in connection with the prosecution of all applications for patent(s) on the Invention in the United States, including without limitation said application and all divisions, continuations, continuations-in-part, amendments thereof, and all interference proceedings associated therewith, or otherwise necessary or desirable to secure the title thereto to Company;
2. To execute all papers and documents and to perform all lawful acts that may be necessary in connection with claims to priority or otherwise under the International Convention for the Protection of Industrial Property or similar treaties or agreements;
3. To perform all lawful affirmative acts that may be necessary to obtain the grant of valid and enforceable patents to Company.

The undersigned Inventors each hereby authorizes and requests the Commissioner of Patents and Trademarks in the United States to issue any and all Letters Patent resulting from said application, including without limitation any division, continuation, continuation-in-part, or reissue thereof to Company.

The undersigned Inventors each hereby grant to the firm of Ferguson Braswell Fraser Kubasta PC the power to correct clerical errors on this Assignment and to insert on this Assignment any further identification that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for the recordation of this document.

IN WITNESS WHEREOF, this Assignment has been executed by each of the undersigned Inventors on the date appearing by such individual's signature:
