ASSIGNMENT OF WORLDWIDE RIGHTS

WHEREAS, SAVANNAH RIVER NUCLEAR SOLUTIONS, LLC, having a business address of Bldg. 703-47-A, Room 116, Aiken, South Carolina 29808, as Assignor, is the current assignee of record of the entire right, title, and interest in and to the patents and patent applications (collectively the "Patent Assets") listed in the attached Appendix: Patents & Applications (hereinafter "Appendix"); and

WHEREAS, BATTELLE SAVANNAH RIVER ALLIANCE, LLC, having a business address of Bldg. 773-51A, Room 139, Aiken, South Carolina 29808, as Assignee, is desirous of securing the entire right, title, and interest in and to the Patent Assets listed in the Appendix;

NOW, THEREFORE, be it known that for good and valuable consideration, the receipt and sufficiency of which from Assignee is hereby acknowledged, Assignor has conveyed, assigned, transferred, and set over, and does hereby convey, assign, transfer, and set over unto the Assignee and its lawful successors and assigns, the entire right, title, and interest in and to the Patent Assets lists in the attached Appendix, including all patents and patent applications deriving therefrom (including all divisionals, reissues, continuations, continuations-in-part, and extensions thereof), and all rights to claim priority on the basis of such Patent Assets, and all applications for Letters Patent which may hereafter be filed for any inventions described in the Patent Assets in any foreign country and all Letters Patent which may be granted on such inventions in any foreign country, and Assignor hereby authorizes and requests the Commissioner for Patents of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for the Patent Assets listed in the Appendix to Assignee, its successors and assigns, in accordance with the Terms of this Agreement;

AND, ASSIGNOR HEREBY covenants that it has the full right to convey the interest assigned by this Assignment, and it has not executed, and unless directed by the United States Government, will not execute any agreement in conflict with this Assignment;

AND, ASSIGNOR HEREBY authorizes the Commissioner for Patents, the Commissioner for Trademarks, and any other governmental officials to record and register this Assignment upon request by the Assignee. Assignor shall take such steps and actions following the date hereof, including the execution of any documents, files, registrations, or other similar

items, to ensure the assigned Patent Assets are properly assigned to Assignee, or any assignee or successor thereto;

AND, ASSIGNOR HEREBY further covenants and agrees that it will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to Assignor respecting the Patent Assets listed in the Appendix, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title of the Patent Assets listed in the Appendix in said Assignee, its successors and assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for the Patent Assets listed in the Appendix in the United States and any foreign country.
