## ASSIGNMENT AGREEMENT

This ASSIGNMENT AGREEMENT ("**Assignment**") is made by and between John Joseph James MICHALEK, John MCNEILL (hereinafter "**Assignors**") and Daimler Truck North America LLC, a corporation duly organized under the laws of the State of Delaware, and having its principal place of business at 4555 N Channel Avenue, Portland, OR 97217, (hereinafter "**Assignee**") regarding a patent application titled **CLEANING, MAINTAINING, REFURBISHING, AND/OR DIAGNOSING ENGINE COMPONENTS INCLUDING FUEL-INJECTORS**.

WHEREAS, the Assignors have invented one or more inventions disclosed and/or claimed in the application (the "**Inventions**") filed in the United States Patent and Trademark Office (hereinafter "**USPTO**") on June 24, 2022 and given U.S. patent application no. 17/849,261;

WHEREAS, Assignee, together with its successors and assigns, desires to acquire the entire right, title and interest in and to the Inventions and to the Applications (as defined herein).

NOW, THEREFORE, the parties agree as follows:

1. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors have sold, assigned, and transferred, and by these presents do hereby sell, assign, and transfer, unto said Assignee, its lawful successors and assigns, and the Assignee accepts, the entire and exclusive right, title, and interest in and to the Inventions and all patents and claims that may be granted therefor in the United States and all other countries, territories, and jurisdictions in the world (collectively, the "**Countries**"), and to all existing or future related applications, divisions, substitutes, renewals, reissues, continuing applications, conversions, re-examinations, extensions, and any resulting patents thereof in all Countries (collectively, the "**Applications**") for the full terms for which the same may be granted and any rights associated therewith, including, but not limited to, any and all royalties, profits, damages, fees, income, payments, and other proceeds now or hereafter due or payable, and to the right to claim benefit and priority from the Applications in all of the Countries.

2. The Assignors represent and warrant that we have the ability to convey all rights and interests herein assigned, that there are no rights or interests outstanding inconsistent with the

rights and interests granted herein, and that we will not execute any instrument or grant or transfer any rights or interests inconsistent with the rights and interests granted herein.

3. The Assignors authorize the Assignee to file for and request that the USPTO and corresponding bodies in each of the other Countries issue any and all patents resulting from any of the Applications to the Assignee.

4. This Assignment inures to the benefit of the Assignee and its successors, assigns, and other legal representatives, and is binding on the Assignors and their respective heirs, legal representatives, and assigns.

5. The Assignors shall take such steps and actions, and provide such cooperation and assistance to the Assignee and its successors, assigns, and legal representatives, in connection with the Inventions and the Applications, or for any inventions and discoveries derived therefrom, as may be necessary to effect, evidence, or perfect the Assignment to the Assignee or any assignee or successor thereto, including, but not limited to: the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, documents in connection with claims or provisions of the International Convention for the Protection of Industrial Property or similar treaties and agreements, or other lawful papers; the execution and delivery of all papers necessary in connection with any administrative or judicial proceedings; and the provision of information and testimony and cooperation in every way in obtaining and producing evidence and prosecuting such proceedings.

6. The Assignors hereby grants Shook, Hardy & Bacon LLP the power to insert on this Assignment any further identification information, including an application number and filing date, which may be necessary or desirable.
