Assignment of Intellectual Property Rights

This Assignment of Intellectual Property Rights (the “Assignment”), dated July 6, 2021 (the “Effective Date”), is entered into between Advanced Simplicity LLC, a Texas limited liability company (the “Assignor”), and Matthew C. Kaser (the “Assignee”).

Recitals

1. Assignor has a property interest in certain intellectual property (the “Property”) as further described below.
2. Assignor desires to assign all such interest in the Property to Assignee, and Assignee desires to receive Assignor’s interest in the Property.
3. For and in consideration of the mutual covenants and agreements contained in this Assignment and for other good and valuable consideration, the receipt and sufficiency of which are acknowledged, the undersigned agree as set forth below.

Terms

1. Property

The Property the subject of this Assignment is described as follows:

A novel apparatus for seatback shelving, described in a patent (the “Patent”) entitled “Stable Mounting System for Seatback Shelving,” issued on February 19, 2019 as U.S. Patent Number 10207651.

2. Assignor’s Interest

Assignor owns a 100% interest in the Property.

3. Conveyance of Property

Upon exchange of due consideration, Assignor shall convey its interest in the Property to Assignee.

4. Consideration

As consideration for the conveyance of the Property, Assignee shall pay to Assignor the sum of \$1.

5. Warranties

Assignor warrants to Assignee that: (a) Assignor owns the interest in the Property that it purports to convey by this Assignment, (b) Assignor is free of any obligation that would prevent it from entering into this Assignment, (c) the Property is free from any encumbrance, and (d) Assignor has not licensed the Property to any third party.

Assignee warrants to Assignor that (a) Assignee is free of any obligation that would prevent him from entering into this Agreement and (b) Assignee has had sufficient opportunity to examine the Property to determine whether or not to enter into this Assignment.

The warranties set forth above, are in lieu of, and this Assignment expressly excludes, all other warranties, express or implied, oral or written, including, without limitation, (a) any warranty that the Property is without defect, (b) any and all warranties of merchantability, and (c) any and all warranties of fitness for a particular purpose.

6. Registration of Assignment

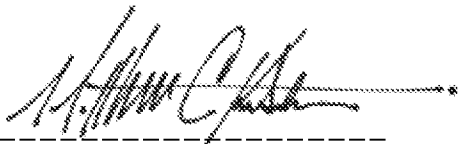

Assignor and Assignee shall cooperate in execution such forms as may be needed to register this Assignment, including the Assignment attached to this Agreement as Exhibit 1, along with any other ancillary forms. Assignor shall file the executed Assignment, together with any required filing fee.

Assignor and Assignee acknowledge that documents with governmental organizations may become part of the public record, and the parties agree to use reasonable means to minimize the amount of party-related personal information used on any such documents.

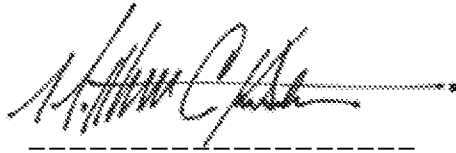

7. Governing Law

This Assignment will be governed by and construed in accordance with the laws of the State of Texas, without regard to the principles of conflicts of laws of the State of Texas. Venue for any dispute arising under this Assignment shall be any competent state or federal court in or for the County of Dallas, Texas.

The parties executed this Assignment to be effective the Effective Date set forth above.
