**TERMINATION AND RELEASE OF
SECURITY INTEREST IN PATENTS**

This Termination and Release of Security Interest in Patents (this “Patent Release”), effective as of November 3, 2022, is made by **WELLS FARGO BANK, NATIONAL ASSOCIATION**, a United States national banking association (the “Administrative Agent”) in favor of **INTERCALL, INC., INTRADO INC., TELEVOX SOFTWARE, INCORPORATED, TWENTY FIRST CENTURY COMMUNICATIONS, INC., WEST BUSINESS SOLUTIONS, LLC, WEST DIRECT, LLC, and WEST INTERACTIVE CORPORATION** (collectively, the “Grantors”).

WITNESSETH:

WHEREAS, the Grantors entered into that certain Patent Security Agreement Supplement, dated as of May 22, 2012 (as amended, supplemented or otherwise modified from time to time, the “Patent Security Agreement”) with Administrative Agent, notice of which was recorded on June 18, 2012 at the United States Patent and Trademark Office (“USPTO”) at Reel/Frame 28397/305.

Capitalized terms used but not otherwise defined herein have the meanings given to them in the Patent Security Agreement.

WHEREAS, Grantors granted the Administrative Agent, under the terms of the Patent Security Agreement, a continuing security interest (the “Security Interest”) in favor of the Administrative Agent, in and to all of its Patent Collateral, including without limitation the Patents listed in **Schedule A** attached hereto.

WHEREAS, the Administrative Agent acknowledges full performance of the Obligations (as referenced in the Patent Security Agreement), and accordingly the Administrative Agent has agreed to terminate and release its Security Interest in all such Patent Collateral as herein provided.

NOW THEREFORE, in consideration of the foregoing and intending to be legally bound, the Administrative Agent, for itself and on behalf of the lenders in association with the Security Interest, hereby releases, terminates and discharges, with respect to the Grantors, its lien on and security interest in, all of its right, title and interest in, to and under the Patent Collateral, and assigns, transfers and conveys to Grantors any and all right, title and interest it may have in such Patent Collateral.

The Administrative Agent hereby authorizes each Grantor, or each Grantor’s authorized representatives to: (a) record this Patent Release with the USPTO and/or any other applicable governmental office or agency, and (b) file UCC financing statement amendments with the applicable filing office in order to memorialize the release of the security interest of the Administrative Agent in the Patent Collateral. The Administrative Agent agrees to execute and deliver to each Grantor all other further instruments and other documents as may be necessary or proper to effectuate and evidence the release of the Security Interest in the Patent Collateral which had been granted under the Patent Security Agreement.

IN WITNESS WHEREOF, the Administrative Agent has caused this Patent Release to be executed as of the day and year first written above.
