ASSIGNMENT

WHEREAS the inventors in the United States Patent Application identified below have assigned or are under an obligation to assign their entire right, title, and interest in and to the aforementioned patent application, and to all US or foreign patent applications claiming priority thereto (hereinafter the Patent Family), and the inventions therein described, to **Aramco Services Company**;

WHEREAS **Aramco Services Company**, a corporation of the State of Delaware, with a place of business at 1200 Smith Street, Two Allen Building, Houston, Texas 77002 has assigned or is under an obligation to assign its entire right, title, and interest in and to the Patent Family, and the inventions therein described, to **Saudi Aramco Upstream Technology Company**, a Limited Liability Company organized under the laws of the Kingdom of Saudi Arabia, with a business address of 1 Eastern Avenue, Dhahran 31311, Saudi Arabia;

WHEREAS, **Saudi Arabian Oil Company**, a corporation of Saudi Arabia, with a place of business at P.O. Box 5000, Dhahran 31311, Saudi Arabia (hereinafter referred to as *ASSIGNEE*) is desirous of acquiring the entire right, title and interest in and to the Patent Family, and the inventions therein described;

WHEREAS, it is the intent of **Saudi Aramco Upstream Technology Company** to assign all rights, including but not limited to all substantive rights as well as the future right to claim priority and the right to be granted a patent in any and all PCT Contracting States to the above referenced application to *ASSIGNEE*;

AND WHEREAS, **Saudi Aramco Upstream Technology Company** hereby authorizes and requests the attorneys and/or agents recording the aforementioned ASSIGNMENT, to insert the application number, filing date, and attorney docket number of the United States Patent Application that is the subject of this ASSIGNMENT below;

<i>Application Data:</i>	
Application Number:	16/940,553
Filing Date:	July 28, 2020
Attorney Docket No.	SA6524/ASC0413/SA 6524 PA

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, **Saudi Aramco Upstream Technology Company** hereby sells, assigns, and transfers unto *ASSIGNEE*, its successors and assigns, the entire right, title and interest, including the right to sue for past infringement, if any, and the right to claim priority, in and to said application, the inventions therein disclosed, and any improvements thereon, and in and to any and all Letters Patent which may be granted therefor in the United States and its territorial possession, in any and all foreign countries, including without limit all PCT Contracting States, all GCC Member States, and in and to any and all divisions, continuations, substitutions, renewals, re-examination, extension and reissues thereof, and any other applications claiming priority thereto;

Saudi Aramco Upstream Technology Company hereby authorizes and requests the Patent Office Officials in the United States and its territorial possessions, and in any and all foreign countries, to issue, when granted, any and all Letters Patents thereon, and reissues thereof, to *ASSIGNEE* as the assignee of the entire right, title and interest in and to the same, for the sole use and behalf of said *ASSIGNEE* and said *ASSIGNEE*'s successors and assigns, to the full end of the term for which said Letters Patents may be granted, as fully and entirely as the same would have been held by Saudi Aramco Upstream Technology Company had this assignment and sale not been made;

Saudi Aramco Upstream Technology Company hereby authorizes said *ASSIGNEE*, its successors and assigns, to file in its own name applications for patent in foreign countries in connection with the inventions hereby transferred, under the International Convention claiming the priority of said United States application or otherwise, and to secure in its own name the patent or patents issued thereon; and

Saudi Aramco Upstream Technology Company hereby does agree that, upon request, it will sign all papers, and make all rightful oaths, and do all acts which said *ASSIGNEE*, its successors or assigns, may consider necessary in connection with said United States application, and in connection with any other United States or foreign applications that may be filed in connection with said inventions, and with any improvements thereon, and in connection with any patents issued or reissued thereon.

IN WITNESS WHEREOF, for Saudi Aramco Upstream Technology Company:

Saudi Aramco Upstream Technology Company
