ASSIGNMENT

WHEREAS, I, Michael Boyd of 1675 Utica St., Denver, Colorado 80204, have invented a certain new and useful invention entitled "METHODS AND SYSTEMS FOR OPERATION OF A VACUUM TRANSPORT SYSTEM" for which a United States Non-Provisional Patent Application has been prepared and filed on July 8, 2021, receiving Serial No. 17/370,916, and further identified as Attorney File No. 6456-36, and claims benefit and priority to U.S. Provisional Patent Application that has been prepared and filed on July 8, 2020, receiving Serial No. 63/049,339, and further identified as Attorney File No. 6456-36-PROV (hereinafter the "Applications").

NOW THEREFORE, be it known that I, the inventor, for and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, at the request of **Trans-Vac Systems LLC**, (hereinafter "Assignee") having a place of business at 1810 Blake Street, Denver, Colorado 80202, do sell, assign and transfer unto Assignee, its successors, legal representatives and assigns, the Applications and inventions described therein for all territories in the world and any improvements and modifications thereto, all applications from which the Applications claims the benefit of priority, all applications claiming the benefit of priority from the Applications, including, but not limited to, all Non-Provisional, continuation, divisional, continuation-in-part and reissue applications, all patent applications in foreign countries, all applications pursuant to the Patent Cooperation Treaty and all applications for extension filed or to be filed for the invention, and all Letters Patent, Invention Registrations, Utility Models, Extensions or Reissues and other patent rights, obtained for the inventions of the Applications in the United States or any other country and the right to sue for past infringement of rights resulting from the Applications or any patent issuing therefrom; I also assign any right, title or interest in and to the Invention which has not already been transferred to Assignee, I warrant that I have made no assignment of the Applications or patent therefor to a party other than Assignee, and I am under no obligation to make any assignment of the Applications, or patent therefor to any other party; and I further agree to cooperate with Assignee in the obtaining and sustaining of any and all such Letters Patent and in confirming Assignee's exclusive ownership of the invention(s), but at the expense of Assignee.

For and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, I, Michael Boyd, do sell, assign and transfer to Assignee, the right to claim priority to the Applications for all applications pursuant to the Patent Cooperation Treaty and national and regional applications filed therefrom, all applications for the territory of the United States of America and all continuation, divisional, continuation-in-part and reissue applications thereof, and all patent applications in foreign countries and the right to be granted a patent for any of the foregoing applications.

The Commissioner of Patents is hereby authorized and requested to issue the Letters Patent solely in accordance with the terms of this Assignment, to Assignee, its successors, legal representatives and assigns, as an assignee of an equal, undivided right, title and interest therein.

IN WITNESS WHEREOF, each party hereto has executed this Assignment as of the date indicated hereunder.
