respectively ("Assignor"), have made a certain new and useful invention as set forth in U.S. Provisional Patent Application 62/556,953, filed September 11, 2017, International Patent Application PCT/IB2018/056893, filed September 10, 2018, and U.S. Patent Application 16/645,988, filed on March 10, 2020, each entitled:

**POWERED INTRAOSSEOUS DRIVER WITH PROTECTIVE MEMBER,  
AND RELATED KITS, COMPONENTS, AND METHODS**

AND WHEREAS,

**TELEFLEX LIFE SCIENCES LIMITED**  
171 Old Bakery Street  
Valletta, Malta VLT 1455

respectively ("Assignee"), is desirous of acquiring the entire right, title and interest in and to said invention and application(s), and in and to any and all Letters Patent which may be obtained therefore;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, transfer and set over unto Assignee, its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention and application(s), including the right to claim priority under 35 U.S.C. §119 and/or

§120 the right to sue for past infringement, as set forth in the above mentioned application(s), including any continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and any patent application claiming priority to any of the foregoing, and any patent application forming the basis of a priority claim by any of the foregoing, and any patent application sharing a common priority claim with any of the foregoing, and in and to any and all patents of the United States or any country or jurisdiction which may be issued for said invention or application(s);

**UPON SAID CONSIDERATION**, Assignors hereby agree with the said Assignee that Assignors will not execute any writing or do any act whatsoever conflicting with these presents, and that Assignors will, at any time upon request, without further or additional consideration but at the expense of said Assignee, execute such additional assignments and other writings and do such additional acts as said Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making applications for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent on said invention, and in enforcing any rights or chooses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of Assignors and Assignee;

The undersigned hereby grant(s) the firm of **BAKER & HOSTETLER LLP** the power to insert on this Assignment any further identification, including the application number and filing date, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

**AND** Assignors request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said Assignee, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the invention covered thereby.
