**PATENT RELEASE AND REASSIGNMENT**

THIS PATENT RELEASE AND REASSIGNMENT is made as of December 28, 2022, by Golub Capital LLC, as administrative agent ("Agent"). Capitalized terms used but not defined herein shall have the same meanings assigned to such terms in the Assignment (as defined below).

WITNESSETH:

WHEREAS, SUREWERX USA INC., an Illinois corporation (the "Grantor") and Agent are parties to a Patent Security Agreement dated as of March 24, 2020 (as amended, restated, supplemented or otherwise modified from time to time, the "Assignment"), pursuant to which Grantor granted a security interest to Agent in certain Patents, Patent Licenses and other Patent Collateral as security for certain obligations owing by Grantor to Agent, including the Patents and Patent Licenses set forth on Schedule 1 hereto; and

WHEREAS, the Assignment was recorded by the Patent Division of the United States Patent and Trademark Office on March 26, 2020, at Reel 052237, Frame 0885; and

WHEREAS, Agent desires to release the entirety of its security interest in the Patents, Patent Licenses and other Patent Collateral and reassign the same to Grantor.

NOW THEREFORE, for good and valuable consideration, receipt and sufficiency of which are hereby acknowledged:

1. Agent hereby releases any security interest it may hold in all of Grantor's right, title and interest in and to the following:

(i) each Patent, including each Patent License and Patent listed on Schedule 1 annexed hereto, together with any reissues, continuations or extensions thereof; and

(ii) all products and proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future (a) infringement or dilution of any Patent or (b) injury to the goodwill associated with any Patent.

2. Agent hereby reassigns, grants and conveys to Grantor, without any representation, recourse, warranty or undertaking by Agent, all of Agent's right, title and interest in and to the Patents, Patent Licenses and other Patent Collateral and does hereby authorize Grantor (personally or through its designees and at Grantor's sole expense) to take all actions reasonably necessary to release and terminate any and all security interests and other liens in the Patents, Patent Licenses and other Patent Collateral.

3. This Patent Release and Reassignment shall be governed by, and construed and enforced in accordance with, the laws of the State of New York.

IN WITNESS WHEREOF, Agent has caused this Patent Release and Reassignment to be executed as of the day and year first above written.
