ASSIGNMENT OF PATENT RIGHTS

This Assignment of Patent Rights (this “Assignment”), effective as of December 30, 2022 (the “Effective Date”), is between RMC Pharmaceutical Solutions, Inc., a Colorado corporation, having its principal place of business at 1851 Lefthand Circle, Suite A, Longmont, CO 80501 (the “Assignor”), and RMC Pharmaceutical Solutions, LLC, a Delaware limited liability company, having its principal place of business at 1851 Lefthand Circle, Suite A, Longmont, CO 80501 (the “Assignee”).

WHEREAS, the Assignor is the owner of all rights, title, and interest in and to the patents set forth on Schedule A attached hereto and incorporated herein by reference (collectively, the “Patents”), and is desirous of delivering its entire right, title and interest in and to the Patents; and

WHEREAS Assignee desires to acquire all rights, title, and interest in and to the Patents;

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged and agreed:

1. Assignor hereby sells, assigns, transfers, assigns to Assignee, its successors and assigns, Assignor’s entire right, title, and interest in, to and under the Patents, including all issued patents, continuations, divisionals, continuations-in-part, extensions, restorations, and other indicia of invention ownership (including certificates of invention, petty patents, and patent utility models) which have been or shall be granted on any of the Patents in any jurisdiction throughout the world reissues and applications (including provisional and non-provisional applications), and, all issued patents and patent applications in foreign countries, all applications pursuant to the Patent Cooperation Treaty, and all applications for extension filed or to be filed for the inventions generally embodied or described in the Patents, and all Letters Patent, Invention Registrations, Utility Models, Extensions, or Reissues, and any other patent rights obtained for such inventions in the United States or any other jurisdiction, the same to be held and enjoyed by Assignee for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, to the end of the term or terms for which each said Patents are or may be granted or reissued, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made; and, together with all claims for damages by reason of past infringement of the Patents, with the right to sue for such damages, and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives. Assignor also assigns any right, title, or interest in and to such inventions which has not already been transferred to Assignee, including all improvements or modifications to the Patents.
2. Assignor agrees to: (i) execute upon request any other lawful documents reasonably necessary to secure the grant of any rights hereunder in the United States and in all other jurisdictions to Assignee, its successors and assigns; and (ii) to perform, at Assignee’s expense, any lawful act, such as providing testimony at an interference or other proceeding related to the Patents.
3. Assignor does hereby authorize and request the Commissioner for Patents of the United States and the equivalent officers of all foreign patent offices to issue any original or reissue patents or equivalent which may be granted upon the Patents to Assignee, its successors and assigns.
4. The provisions of this Assignment inure to the benefit of the Assignee, its successors, assigns and other legal representatives, and are binding upon Assignor, its successors, assigns and other legal representatives.

IN WITNESS WHEREOF, the parties hereto have caused their duly authorized representatives to execute this Assignment. This Assignment may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Counterparts may be delivered via facsimile, electronic mail (including pdf or any electronic signature complying with the U.S. Federal ESIGN Act of 2000, i.e., www.docusign.com) or other transmission method, and any counterpart so delivered shall be deemed to have been duly and validly delivered and shall be valid and effective for all purposes.
