ASSIGNMENT

WHEREAS, we, Drew W. Edwards, of Alpharetta, Georgia, John R. Simoneaux, of Alpharetta, Georgia, Steven D. Doctor, of Alpharetta, Georgia, and Richard C. Pinson, of Alpharetta, Georgia (the "Inventors"), have invented certain new and useful improvements in an FUNDS NETWORK AND METHOD, for which a patent application was filed on February 14, 2013; and assigned Serial No.:13/767,624; and

WHEREAS, INGO MONEY, INC., a corporation of the State of Georgia, having an address of 11545 Wills Road, Suite 130, Alpharetta, Georgia, 30009, is desirous of acquiring the right, title and interest in and to said invention and any and all patents resulting therefrom, including any foreign patents.

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), the receipt of which is hereby acknowledged, and other good and valuable consideration, the Inventors acknowledge the sale, transfer, and assignment, and do hereby sell, assign and transfer, unto INGO MONEY, INC., its successors and assigns, the entire right, title and interest in and to said invention or inventions, as described in the aforesaid application, in any form or embodiment thereof, and in and to the aforesaid application and U.S. Provisional Patent Application 61/599,371, filed February 25, 2012, and in and to any patent, utility model or similar applications (including original applications, divisional applications, continuation and continuation-in-part applications) filed in the United States and any foreign country based thereon or otherwise directed to said invention or inventions, including the right to file said foreign applications under the provisions of any international convention, which includes the right to claim priority under the Paris Convention for the Protection of Industrial Property and/or

any other international convention or agreement of local law, regulation, or provision for the making of a priority claim; also in and to any improvements on said invention or inventions now or hereafter made by the Inventors while providing services to INGO MONEY, INC. and any such applications directed thereto filed in the United States or any foreign country, including the right to claim priority under the Paris Convention for the Protection of Industrial Property and/or any other international convention or agreement or local law, regulation, or provision; also in and to any and all patents, utility models, or similar granted rights, including all reexaminations, reissues, or extensions thereof, to be obtained in this or any foreign country upon said invention, inventions, or improvements, including any patents, utility models or similar rights issuing from the aforesaid applications, and the Inventors hereby authorize and request the issuing authority to issue any and all patents, utility models, or similar rights on said application or applications to INGO MONEY, INC. as assigned of the entire interest.

Further, the Inventors agree that they will communicate to INGO MONEY, INC. all facts known to them respecting said invention, and testify in any legal proceedings, sign all lawful papers, make all rightful oaths, and generally do everything possible to INGO MONEY, INC., its successors and assigns, to obtain and enforce patent or related intellectual property rights for said invention or inventions in the United States and in any and all foreign countries.
