ASSIGNMENT

For valuable consideration, receipt of which is hereby acknowledged, We, Bryan Rock of North Chesterfield, VA, Carey Lehner of Midlothian, VA, and Carmen Betts of Richmond, VA hereby assign to Afton Chemical Corporation, a corporation of Delaware having a place of business at:

500 Spring Street  
Richmond, VA 23219

and its successors and assign (collectively hereinafter called “the Assignee”), our entire right, title and interest throughout the world in the inventions and improvements which are subject of a United States Patent Application entitled DRIVELINE AND TRANSMISSION FLUIDS FOR LOW SPEED WEAR AND SCUFFING, filed on December 9, 2022 as U.S. Application No. 18/063,791 executed concurrently herewith, this assignment including said application, any and all United States and foreign utility patents and patent applications, including continuation, continuation-in-part, divisional, reissue, and reexamination applications, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes, and including all rights of action and rights to recover damages for past infringements; and we authorize the Assignee to apply in all countries in our names or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors’ certificates for said inventions and improvements; and we agree for ourselves and our respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.
