PATENT ASSIGNMENT

RightQuestion, LLC, a California corporation having a place of business at 118 Ramona Rd., Portola Valley, CA 94028 (“Assignor”), certifies that to the best of Assignor’s knowledge and belief it is the sole assignee of each of the patent application(s) and patent(s) listed in Exhibit A.

RightQuestion, LLC hereby:

1) Assigns and transfers to Carbyne LLC, a California corporation having a place of business at 118 Ramona Rd., Portola Valley, CA 94028 (“Assignee”), the entire worldwide right, title, and interest in and to: (a) the above referenced patent application(s) and patent(s); (b) any application to which the above referenced patent application(s) and patent(s) claim priority and any application at least in part based upon the above referenced patent application(s) and patent(s); (c) all provisional, utility, divisional, continuation, continuation-in-part, substitute, renewal, reissue, and other applications related thereto which have been or may be filed in the United States or elsewhere in the world; (d) all patents (including reissues and re-examinations) which may be granted on the applications set forth in (a), (b), and (c) above; (e) any and all improvements and inventions disclosed in (a), (b), (c), and (d) above; (f) all rights of priority in the above referenced patent application(s) and patent(s) and in any underlying provisional or foreign application, together with all rights to recover damages for infringement of any provisional rights; and (g) all claims for past, present and future infringement of any of the above referenced patent(s), including all rights to sue for and to receive and recover for the Carbyne LLC’s own use all past, present, and future lost profits, royalties, and damages of whatever nature recoverable from an infringement of any of the above referenced patent(s).

2) Authorizes and requests the Commissioner of Patents to issue any and all Letters Patents resulting from patent applications claiming priority to or otherwise related to any of the above referenced patent application(s) and patent(s) including any divisional(s), continuation(s), continuation(s)-in-part, substitutes(s), reissue(s), or other related application(s) thereof, which may have been or may be filed in the United States or elsewhere in the world, to Carbyne LLC.

Signed on the date(s) indicated beside my (our) signature(s).
