CONFIRMATORY ASSIGNMENT AGREEMENT

This Confirmatory Assignment Agreement, effective the 13th day of January, 2023, is by and between MSM GREENTECH LLC, a Delaware Limited Liability Company having a registered office at 2150 Town Square Place, #200, Sugar Land, Texas 77479 ("the Assignor") and Kirtikumar Natubhai Patel, individually, residing at 4123 Maurice Way, Stafford, TX 77477 ("First Inventor") and Rohit N. Patel, individually, residing at 33 Sudbury CT. Dr., Harrow, MDDX HA1 3SZ, UK ("Second Inventor") (the First and Second Inventors referred to collectively as the "Inventors").

WHEREAS, pursuant to the MSM GREENTECH LLC, DE Agreement dated 12/22/2021, the Inventors agreed to transfer certain intellectual property rights identified in Exhibit A to Assignor subject to the terms and conditions stated therein, and a Confirmatory Assignment evidencing such transfer was duly recorded at the U.S. Patent & Trademark Office on 5/2/2022 at Reel/Frame 05971/0758; and

WHEREAS, pursuant to the MSM GREENTECH LLC, DE Agreement dated 12/22/2021, the Assignor did not meet the conditional funding requirements within twelve months (by 12/22/2022) thereby triggering unconditional reversion back of the intellectual property rights identified in Exhibit A to Inventors.

NOW THEREFORE, the Parties agree that by operation of the MSM GREENTECH LLC, DE Agreement dated 12/22/2021, and the agreement of the Parties, the undersigned Assignor hereby sells, conveys, assigns and transfers back to Inventors, its entire right, title and interest for the United States of America (as defined in 35 U.S.C. § 100), and throughout the world, in the following intellectual property:

- A. The following U.S. patents and patent applications listed in Exhibit A attached hereto and incorporated herein by reference, in any and all patent applications thereon, in any and all Letters Patent(s) therefor, and in any and all reissues, extensions, renewals, reexaminations of such applications or Letters Patent(s) and divisional, continuation, continuation of examination (RCE) and continuation-in-part (CIP) applications thereof worldwide, including those directed to any improvements, and including those claiming the benefit of the filing dates of, or priority to any of these listed patents and applications (Exhibit A), to the full end of the term or terms for which such Letters Patent(s) issue, including all claims, if any, that may have arisen for infringement prior to the date of this assignment, such entire right, title and interest to be held and enjoyed by the above-named Assignee to the same extent as they would have been held and enjoyed by the undersigned had this assignment and sale not been made.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the day and year first above written.
