69990-1

ASSIGNMENT BY INVENTORS

THIS ASSIGNMENT, made by Kirill MOSTOV, residing in Saint-Petersburg, and Valeriy ALEXEEV, residing in Zelenograd, Moscow, all of Russian Federation and hereinafter referred to as ASSIGNORS;

WHEREAS, Assignors have invented certain new and useful improvements in a GLOBAL POSITIONING DEVICE FOR TRACKING CARGO, set forth in a US design application 35/511,948, filed on April 15, 2020, with the U.S. Patent and Trademark Office for Design Patent of the United States; and

WHEREAS, Kirsan Integrated Solutions and Systems LLC, having its principal place of business at 3110 Bristle Branch Drive, Sparks, NV 89434, U.S.A., an entity organized and existing under and by virtue of the laws of U.S.A. and hereinafter referred to as ASSIGNEE, is desirous of acquiring the entire right, title and interest in and to said invention and said Patent of the United States, and in and to any Design Patent of the United States to be obtained therefor and thereon.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, Assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned invention and Patent, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said application, and any and all Design Patent in the United States and all foreign countries which may be granted therefor and thereon, and reissues, reexaminations and extensions of said Design Patent, and all rights under the Hague System for the International Registration of Industrial Designs, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Design Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made.

AND for the same consideration, Assignors hereby represent and warrant to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or

that have already been transferred to Assignee, Assignors are the sole and lawful owners of the entire right, title and interest in and to the said invention and application for Design Patent above-mentioned, and that the same are unencumbered and that Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignors hereby covenant and agree to and with Assignee, its successors, legal representatives and assigns, that Assignors will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Design Patent and applications for Design Patent for said invention, without charge to Assignee, its successors, legal representatives and assigns, whenever counsels of Assignee, or counsels of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said invention, or said Design application for Design Patent, or any proceeding in connection with any Design Patent or applications for Design Patent for said invention in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Design Patent, or any reissue, reexamination or extension of any Design Patent, to be obtained thereon, is lawful and desirable.

AND Assignors hereby request the Commissioner for Patents and Trademarks to issue said Design Patent of the United States to Assignee, as Assignee of said invention and the Design Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignors hereby grant the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document: PATENTAGAR PLLC, all practitioners at Customer Number 126101.

AND Assignors acknowledge an obligation of assignment of this invention to Assignee at the time the invention was made.
