## CONFIRMATION OF ASSIGNMENT

WHEREAS, Jeffrey S. Pinyot, hereinafter referred to as Assignor, has made one or more new and useful inventions in LIGHTING FIXTURE DATA HUB for which Assignor has made or will make one or more applications for Letters Patent of the United States (hereinafter the "Applications");

WHEREAS, for and in consideration of the sum of One Dollar (\$1.00) and other good, valuable and sufficient considerations to Assignor in hand paid, the receipt of which was previously acknowledged, Assignor sold, assigned and transferred unto ECO Lighting Solutions, LLC, hereinafter referred to as Assignee, via a duly executed and notarized assignment signed on January 22, 2019 (hereinafter the "Assignment"), all of the entire right, title, and interest in, to and under the one or more inventions disclosed, described and claimed or intended so to be in the applications noted below, and any and all other applications thereon and arising therefrom, including any and all applications claiming the benefit thereof, and any and all divisions, continuations, and continuations-in-part thereof, and any and all patents to be issued and obtained therefor and thereon, United States and foreign, including all reissues and extensions thereof (collectively the "Applications");

- (a) Application Number: 62/613,662 (U.S.)  
Filing Date of the Application: January 4, 2018
- (b) Application Number: 16/240,674 (U.S.)\*  
Filing Date of the Application: January 4, 2019

\* this serial number was referenced as 16/240,674 in the assignment footer and 62/240,674 in the assignment body, noting that 16/240,674 is the correct serial number

WHEREAS, Assignee desired to acquire all of the entire right, title and interest in, to and under the one or more inventions disclosed, described and claimed or intended so to be in the Applications, and in, to and under the Applications, and in, to and under any and all Letters Patent, United States and foreign, which may be obtained therefore and thereon, and acquired the same by way of the aforementioned Assignment;

WHEREAS, Assignor wishes to expressly confirm the assignment of rights within the aforementioned Assignment, namely to expressly confirm the assignment of rights to Assignee within said Assignment; and

WHEREAS, Assignee wishes to expressly confirm the assignment of rights within the aforementioned Assignment, namely to expressly confirm the assignment of rights from Assignor to Assignee within said Assignment.

NOW, THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar (\$1.00) and other good, valuable and sufficient considerations to Assignor in hand paid, the receipt of which is hereby acknowledged, Assignor confirms that he has sold, assigned and transferred unto Assignee, all of the entire right, title, and interest in, to and under the one or more inventions disclosed, described and claimed or intended so to be in the Applications, including, but not limited to, U.S. Serial No. 16/240,674, as of January 22, 2019 (the execution date of the Assignment).

As noted above, the assigned Applications also included "and any and all other applications thereon and arising therefrom, including any and all applications claiming the benefit thereof," which includes the following additional applications:

- (c) Application Number: 62/186,101 (U.S.)  
Filing Date of the Application: June 29, 2015
- (d) Application Number: 62/301,320 (U.S.)  
Filing Date of the Application: February 29, 2016
- (e) Application Number: PCT/US16/40143 (PCT)  
Filing Date of the Application: June 29, 2016
- (f) Application Number: 15/740,649 (U.S.)  
Filing Date of the Application: December 28, 2017

Accordingly, the scope of "Applications" as defined herein includes at least those expressly identified in (a), (b), (c), (d), (e), and (f) above. Assignor also expressly confirms that he has sold, assigned and transferred unto Assignee, all of the entire right, title, and interest in, to and under the one or more inventions disclosed, described and claimed or intended so to be in the Applications, including at least those expressly identified in (a), (b), (c), (d), (e), and (f) above, as of January 22, 2019 (the execution date of the Assignment).

Furthermore, Assignee expressly confirms that it desired to receive and has received all of the entire right, title, and interest in, to and under the one or more inventions disclosed, described and claimed or intended so to be in the Applications, including at least those expressly identified in (a), (b), (c), (d), (e), and (f) above, as of January 22, 2019 (the execution date of the Assignment).

Assignor hereby confirms that it authorized and requested the Honorable Assistant Secretary and Commissioner for Patents and Trademarks to issue said

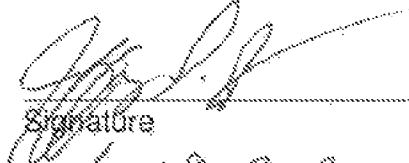

Letters Patent to Assignee, its assigns and legal representatives, as of January 22, 2019 (the execution date of the Assignment).

Assignor also confirms that he agrees to assign and execute any and all other papers necessary or desirable for the procurement of Letters Patent on said invention in this and all foreign countries for the use of Assignee.

IN WITNESS WHEREOF, Assignor and Assignee have executed this Confirmation of Assignment as of the date of final signature below.
