WORLDWIDE ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, SKYLAND ANALYTICS, INC. having an address at 7916 Niwot Road, Suite 200; Niwot, CO 80503 US (hereinafter "Assignor") does hereby sell, assign, and set over unto ID BUSINESS SOLUTIONS INC. having principal offices at 1301 Marina Village Parkway, Suite 320; Alameda CA 94501 US (hereinafter "Assignee") their successors, legal representatives and assigns Assignor's entire right, title, and interest in and to all patents and applications on attached Exhibit A ("Assigned Patents") and any and all inventions and discoveries described therein. Assignor further assigns to Assignee the right to file patent applications in the name of Assignee, its designee, or in any other name or names, on the aforesaid inventions and discoveries in any or all countries of the world, together with all rights of priority in the aforesaid countries deriving from the Assigned Patents, and in and to any and all divisions, continuations, and continuations-in-part of any and all of the Assigned Patents, and any and all reissues, renewals and extensions of any of the Assigned Patents, such that the same right, title and interest to be held and enjoyed by Assignee, its successors, assigns or other legal representatives, to the full ends of the terms for which all Letters Patent therefor may be granted, shall be as full and complete as that that would have been held and enjoyed by Assignor if this assignment and sale had not been made.

Assignor further hereby covenants and agrees, for the same consideration, whenever counsel of Assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said inventions, or said application for Letters Patent, or any proceeding in connection with said invention, or said application for Letters Patent, including interference proceedings, is lawful and desirable, or that any division, continuation, or continuation-in-part of any application for Letters Patent, or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable to sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said invention, without charge to said Assignee, its successors, legal representatives and assigns, but at the cost and expense of said Assignee, its successors, legal representatives and assigns.
