ASSIGNMENT

WHEREAS I/We, Christopher M. VARGA, residing in Laguna Hills, California; and Raina VARGA, residing in Laguna Hills, California have made a certain new and useful invention as set forth in an application for United States Letters Patent, entitled DISPLAY SCREEN WITH GRAPHICAL ICON, which was filed on July 15, 2020, and identified by United States Patent Application No. 29/741,792; and I/we, the undersigned, authorize and request the practitioners of Morgan, Lewis & Bockius LLP to insert the filing date and application number of the application, when known;

AND WHEREAS, Vyaire Medical, Inc., a corporation of the State of Delaware and having an address of 26125 N. Riverwoods Boulevard, Mettawa, Illinois 60045 is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, I/we do hereby sell, assign, transfer and set over unto Vyaire Medical, Inc., its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention as set forth in the above-mentioned application, including the right of priority and including any continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention;

UPON SAID CONSIDERATIONS, I/we hereby agree with the said assignee that I/we will not execute any writing or do any act whatsoever conflicting with these presents, and that I/we will, at any time upon request, without further or additional consideration but at the expense of said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of assignor and assignee;

AND I/we request the Commissioner for Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said Vyaire Medical, Inc., its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the invention covered thereby.
