ASSIGNMENT
ResMed Pty Ltd to ResMed Paris SAS

WHEREAS, ResMed Pty Ltd, ABN 30 003 765 142, (hereinafter "Assignor") ABN 30 003 765 142 an Australian company, whose postal address is 1 Elizabeth Macarthur Drive, Bella Vista, New South Wales 2153, Australia, is an owner of and has acquired whole or partial rights in and to certain new and useful inventions relating to "Monitoring respiratory pressure therapy" (hereinafter "Inventive Subject-Matter") which is described in and for which application has been made as follows:

- A Provisional Application filed on 14 August 2015 in Australia and designated as Application No. 2015903275
- A Patent Application filed on 12 August 2016 in the United States of America and designated as Application No. 15/752,725.

WHEREAS, ResMed Paris SAS a French company, (hereinafter "Assignee"), whose postal address is Parc Technologique de Lyon, 292 allée Jacques Monod, 69791 Saint Priest Cedex, France, is desirous of acquiring the entire right, title and interest in and to said Inventive Subject-Matter, including without limitation said application(s), for every jurisdiction, including without limitation the United States of America and all other countries, and any benefits of or to be obtained therefrom:

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and on the Effective Date herein, Assignor has sold, assigned, and set over and/or to any extent not previously, by these presents does hereby sell, assign and set over unto Assignee, Assignee's legal representatives, successors and assigns, its entire right, title and interest in and to said Inventive Subject-Matter for every jurisdiction, including without limitation the United States of America and all other countries, said application(s) and any benefits of or to be obtained therefrom, including without limitation any continuation, or divisional application, renewal or substitute thereof, international, foreign and regional applications corresponding or claiming priority thereto pursuant to any law or treaty, including the right to claim such priority or benefit, and the Letters Patent, both foreign and domestic, that may or shall issue thereon, or any reissue or re-examination thereof, and Assignee hereby accepts them, and Assignor does hereby authorize and request the U.S Commissioner of Patents and any other country's Commissioner of Patents to issue said Letters Patent to the above-mentioned Assignee, consistent with the terms of this Assignment.

UPON SAID CONSIDERATION, Assignor hereby covenants and agrees with Assignee that Assignor has not and will not execute any writing or do any act whatsoever conflicting with these presents, and that Assignor will, at any time upon request, without further or additional consideration,

but at the expense of Assignee, execute such additional assignments and other writings and do such additional acts as Assignee may deem necessary or desirable to perfect Assignor's or its assign's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, continuation, or divisional application, renewal, reissued or extended Letters Patent of the United States, or of any and all other countries, on said Inventive Subject-Matter, and in enforcing any rights or chose in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of all parties.

This Assignment may be executed in any number of counterparts and the executed counterparts together constitute an original.
