ASSIGNMENT

I, Lily A. Neff, having an address at 1526 E. Hampton Cir., Mesa, AZ 85204; and I, Edward J. Neff, having an address at 1526 E. Hampton Cir., Mesa, AZ 85204 (hereinafter called "Assignors"), represent that We own the entire right, title and interest in the following U.S. patents and U.S. patent applications:

Patent/Application No.:	Title:	Issue/Filing Date:
61/710,208	Salt Puffer	October 5, 2012
9,764,103	Salt Puffer	September 19, 2017

Al Solorzano, an individual, having an address at 3018 E. Watford Ct., Queen Creek, AZ 85142; and Carrie A. Solorzano, an individual, having an address at 3018 E. Watford Ct., Queen Creek, AZ 85142 (hereinafter called "Assignees"), desire to acquire the entire right, title and interest in the said patents and inventions, and to any other United States and foreign patents to be obtained therefor;

For valuable consideration, the receipt and legal sufficiency of which Assignors acknowledge, Assignors have sold and do hereby sell, assign, transfer and set over unto Assignees, their successors and assigns, the entire right, title and interest in and to the inventions and all improvements thereon, in and to the Patents, in and to any other applications pertaining to or based upon the inventions and applications, including divisional and continuing applications and continuations-in-part, and in and to any and all letters patent which may be granted and issued on the invention and applications, or any of them, in the United States of America, its territories and possessions, and in all countries foreign thereto, together with and including all priority rights based upon any and all applications in the United States of America covered by this Assignment.

Assignors also agree that they will, at the request of Assignees, execute any and all applications for letters patent for the invention, execute any and all other papers and documents and do all other and further lawful acts that Assignees may deem necessary or desirable to obtain letters patent on the inventions, to secure the grant of such letters patent and to protect and vest in Assignees the undivided interests in the right, title and interest in the inventions, applications and letters patents.

Assignors also authorize and empower Assignees, their successors and assigns to apply for and obtain, in their own names, letters patent for the inventions before competent International Authorities and in any and all countries foreign to the United States in which applications for letters patent can be so made or letters patent so obtained.
