PATENT ASSIGNMENT

WHEREAS, **Compugen USA, Inc.**, a corporation, having a place of business at 250 E. Grand Avenue, South San Francisco, California 94080, USA, (hereinafter referred to as "ASSIGNOR"), is the owner of the entire right, title and interest in and to the Patent Properties listed in Exhibit A (attached here as page 4) (hereinafter referred to as the "Patent Properties");

WHEREAS, **Compugen Ltd.**, a corporation, having a place of business at 26 Haroknim St., Holon 5885849, ISRAEL (hereinafter referred to as "ASSIGNEE") is desirous of acquiring the entire right, title and interest in and to the Patent Properties listed in Exhibit A and the inventions disclosed therein, and to all embodiments of the inventions, heretofore conceived, made or discovered (all collectively hereinafter termed "said inventions"), and to any and all patents, inventor's certificates and other forms of protection (hereinafter termed "patents") thereon granted in the United States and foreign countries, and Assignor is willing to assign its interest therein to said Assignee.

NOW, THEREFORE, in consideration of good and valuable consideration acknowledged by said Assignor to have been received in full from said Assignee, said Assignor does hereby sell, assign, transfer and convey unto said Assignee the entire right, title and interest in and to the Patent Properties listed in Exhibit A; (a) in and to said applications and said inventions; (b) in and to all rights to apply for foreign patents on said inventions pursuant to the International Convention for the Protection of Industrial Property or otherwise; (c) in and to any and all applications filed and any and all patents granted on said inventions in the United States or any foreign country, including each and every application filed and each and every patent granted on any application which is a division, substitution, or continuation of any of said applications; and (d) in and to each and every reissue or extensions of any of said patents.

THE SAME TO BE HELD AND ENJOYED BY said Assignee, its successors and assigns, for its own use and behoof, for the life of rights in and to said invention, including to the full end of the life of any Letters Patent of the United States granted on said Application and to the full end of the life of any foreign patent which exists or may be granted, as fully and entirely as the same might or could have been enjoyed by said Assignor had this assignment and sale not been made.

IN ORDER TO CARRY OUT IN GOOD FAITH the intent and purpose of this assignment, said Assignor hereby does covenant and agree to cooperate with said Assignee to enable said Assignee to enjoy to the fullest extent the right title and interest herein conveyed in the United States and foreign countries. Such cooperation by said Assignor shall include prompt production of pertinent facts and documents, giving of testimony, execution of petitions, oaths, specifications, declarations or other papers, and other assistance all to the extent deemed necessary or desirable by said Assignee (a) for perfecting in said Assignee the right, title and interest herein conveyed; (b) for prosecuting any of said applications; (c) for filing and prosecuting substitute, divisional, continuing or additional applications covering said invention; (d) for filing and prosecuting applications for reissuance of any said patents; (e) for interference or other priority proceedings involving said invention; and (f) for legal proceedings involving said invention and any applications therefor and any patents granted thereon, including without limitation opposition proceedings, cancellation proceedings, priority contests, public use proceedings, infringement actions and court actions; provided, however, that the expense incurred by said Assignor in providing such cooperation shall be paid for by said Assignee.
