## ASSIGNMENT OF PATENT RIGHTS

For valuable consideration, We, CIARA DOWLING, of Monkstown, County Dublin, Ireland, EOIN DOWLING, of Monkstown, County Dublin and KEVIN BURKITT of Monkstown, County Dublin, hereby assign to EDRLL LTD, a company having a place of business at 8 Longford Place, Monkstown, County Dublin, Ireland, the entire right, title and interest throughout the world in the inventions and improvements which are subject of an application for a United States Patent, entitled A Computer-Implemented Method, a Computer Program Product and a System for Generating an Article of Manufacture filed on May 13, 2021, at the United States Patent and Trademark Office, under U.S. Patent Application No. 17/293,757. This assignment including said applications, any and all United States and foreign patents, utility models, and design registrations granted for any of said inventions including any continuation applications, continuation-in part applications or divisional applications, and the right to claim priority based on the filing date of said applications under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and we authorize the Assignee to apply in all countries in our name or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements; and we agree for ourselves and our heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.
