ASSIGNMENT

WHEREAS, I, Charles David Strubbe, of Loveland, Ohio (the "Assignors"), have invented certain new and useful improvements in HEAD WEARABLE DEVICES AND METHODS (the "Invention") which is disclosed in U.S. Provisional Patent Application Nos. 62/741,385 filed October 4, 2018 and 62/741,636 filed on October 5, 2018; U.S. Utility Patent Application Serial No. 16/230,277 filed on December 21, 2018; and PCT Utility Application No. PCT/US2018/067224 filed December 21, 2018 (collectively, the "Applications");

AND WHEREAS, at the time of conception or reduction to practice of the Invention, the Assignor was employed by Integra LifeSciences Corporation, a Delaware corporation having an address of 311 Enterprise Drive, Plainsboro, New Jersey 08536 (the "Assignee").

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor hereby sell, assign, transfer and convey unto the Assignee their entire right, title and interest in and to:

said Invention;

said Applications, including any and all designs, divisions, continuations, continuations-in-part, provisionals to which said Applications claim priority, non-provisional applications claiming priority to or having any relationship to any of the aforesaid, and reissues and reexaminations thereof;

any and all foreign and PCT applications claiming priority to any of the aforesaid;

any and all Letters Patent of the United States and all countries foreign thereto, which may be granted or have been granted for any of the aforesaid, and any and all reissues and reexaminations thereof;

any and all priority rights, convention rights, and other benefits accruing or to accrue to the Assignors with respect to the filing of applications for patents or the securing of patents in the United States and countries foreign thereto; and

any and all rights to recover damages for past infringement of any and all said Letters Patent (collectively, all of the aforesaid the "Intellectual Property");

AND THE ASSIGNOR HEREBY AGREE, and likewise bind their heirs, legal representatives and assigns, to execute additional papers which may be requested to confirm the right of the Assignee, its representatives, successors and assigns to secure patent or similar protection for the said Invention in all countries and to vest in the Assignee complete title to the Invention, Application and any Letters Patent, including additional applications related to the Intellectual Property, and/or any applications for reissue or reexamination of any Letters Patent which may be granted for said Intellectual Property, without further compensation, but at the expense of said Assignee, its successors, assigns and other legal representatives.
